Cathy, (b)(6); (b)(7)(C) etc.

I'm writing story this morning on new executive order last night extending protection for the entire Trump family, grown kids and grandkids for another six months.
As we've discussed, 3056 allows extended USSS protection for the ex-president, ex-first lady for their lifetimes, ex-vice president and ex-second lady for six months after they leave office, along with any of the president's or vice president's children under 16 years of age.

We'd like comment on the threat level or other reasons that prompted this extended protection and if the Secretary of DHS directed any of this.

Thanks.

Jeremy - what's the story here?

Trump extended Secret Service protection to his adult children and three top officials as he left office

According to three people briefed on the plan, Trump issued a directive to extend post-presidency Secret Service protection for six months to his four grown children, who were not automatically entitled to receive it.

Got it. Think it would be worth pointing out the non-3056 costs that were not included, and the costs of the kids which we did include, but now note any changes if there are any. This will impact our travel and SOT budgets, so looking to recoup wherever we can!

Based on the 3 signed 'Extension' Presidential Directives (attached); it clearly identifies what role our Trump related, non-3056 extension requests are for. How that relates to what's covered by funding language, I am unaware.

Of note though... and as we know, the article is inaccurate with its sources or message. We are not extending on 14 Trump Family members outside of what's covered by law under 3056 (FPOTUS, FFLOTUS, and Baron); instead we are only extending on 6 Trump family members (Don Jr, Ivanka/Jared, Eric/Laura, and Tiffany).

The USSS will be fully dropping coverage on the grandchildren effective this Friday morning.

Understand, will re-validate the estimates tomorrow morning, but think we are in a good space with funding for the family extension mentioned in the article.
