

To comply with the directives of President Donald Trump and Governor Bill Lee to stop the spread of Coronavirus the following is in effect:

Citizens needing to conduct business at the McMinn County Courthouse are **REQUIRED to call** the office in which they need assistance **before coming in person** to the courthouse. The office will determine whether an in-person visit is required. Any assistance that is not deemed immediately essential may be asked to wait until further notice.

Many issues can be handled online or over the phone. If an emergency visit is needed, please enter and exit through the ground floor handicapped entrance on the left side of main entrance of courthouse. Sign in on form provided at entrance and the officer will assist you.

Thank you for your patience and cooperation as we navigate through this season in our country. **[View County Offices and Phone Numbers](#)**
