

# Memorandum

TO : Chief, Personnel Security Division, OS  
THROUGH: Chief, Employee Activity Branch/PSD/OS

DATE: 14 November 1962

FROM : H. R. Dugan/EAB

SUBJECT: HUNT, Everette Howard (#23500) - Wife's Possible Employment  
by (Spanish) Embassy.

REF: Memorandum dated 11/7/62 from Subject.

1. Subject, Chief, R&P/DODS/DD/P, who has <sup>32</sup>(Army) cover, indicates that his wife, Mrs. Dorothy L. Hunt (#35576), has been employed by Communications Consultants International (OS-NR) which firm does public relations work for the <sup>24</sup>(Spanish Embassy). The firm's <sup>24</sup>contract is to be cancelled soon and acquaintances at the <sup>24</sup>(Spanish Embassy) have suggested to Mrs. Hunt that she help them on a part-time basis "doing translations, statistical research and occasional letters for the <sup>24</sup>(Spanish Ambassador)". Subject indicates also that most of this work would be done at home and that, with Agency concurrence, his wife had worked for the <sup>24</sup>(Argentine Ambassador in Tokyo) during 1955-56. Subject requests Security approval for his wife to accept employment with the <sup>24</sup>(Spanish Embassy). There is no indication that the request has been coordinated with the Chief, DODS.

2. Mr. <sup>03</sup>(Rowles), Central Cover Group, advised that there were no cover objections to the proposed action.

13-3 3. Memorandum dated 1/24/57 to DC/PSD from Bruce Solie in Subject's file indicates that the employment of Mrs. Hunt by the <sup>24</sup>(Argentine Embassy) in Tokyo had been approved by the Security Officer <sup>13-3</sup>(in Tokyo). Subject's file indicates that he has been a continuing security problem because of a tendency to disregard regulations and established procedures. OS File #35576 on Subject's wife indicates that she

4. The proposed employment of Subject's wife by <sup>244</sup>(the Spanish Embassy), unless for operational reasons, appears to be incompatible with Subject's employment by CIA. In addition, although Mr. Hunt has official cover, his Agency <sup>244</sup>could be ascertained with resultant embarrassment to the Subject, the Agency or the nation. Accordingly, it is recommended that Subject's request be security disapproved.
