7 MAY 1962

TO: Director
Federal Bureau of Investigation
Attention: Mr. S. J. Pupich

FROM: Deputy Director, Plans

SUBJECT: Eloy GUTIERREZ Manoyo

1. This Agency is recently in receipt of information on Subject and on Cuban activities in the United States which might be of interest to the Bureau. It is as follows:

"There are more Fidelistas here than in Cuba. There are a great number of individuals infiltrated into the counter-revolutionary circles. They are collecting money to send to the Cuban Government. I understand that they are very active in all fields.

"Manoyo's men are undesirable. GUTIERREZ Manoyo came to New York (no date given), apparently on the express orders of Fidel. Almost all of them were G-2 agents, which they were in Cuba; and it is known that Manoyo has had a series of meetings with Spanish republican elements to see how he can get his hand in Spain. Almost all of these republicans are Communists.

"In Miami, there are also many people working on behalf of the Communists, above all the woman."

2. The material above was sourced by a Spanish service.
