MEMORANDUM FOR THE STATION**SUBJECT: Receipts and Other Documents Relating to Funds for Underground in Cuba**

1. Today Dr. Hino's secretary delivered to me the receipts and other documents pertaining to the funds provided monthly to the Revolutionary Groups of the CRC for support of the Underground. She said she had been cautioned by Dr. Alvarez DIAZ that they must be locked up most carefully.

2. Examination of these documents reveals that the Council's financial section has kept complete records of amounts turned over to groups of the Council and receipts for same; that these receipts promise delivery in Cuba to the underground of the organization, report of deliver and return funds that cannot be delivered (See receipts Tab A) Tab B contains photostat of receipts presented by the MRR for the month of November 1961, for purchases of equipment and would not apply to the months of December 1961 and January 1962 which were first two months in which CRC was provided directly with support funds for underground. However, the last item in Tab B is a letter of December 1961 to RESCATE delegate Mendez Pirez from Dr. Mario del CANAL Ferrer, assistant Secretary general, describing how \$3500 pesos were sent to Osvaldo RAMIREZ in Escambray (after exchanging from dollars to pesos at 5.50) and other amounts to others inside. Apparently they were sent to DARIO the Secretary General of RESCATE, thru Dr. COSTALES and HILDA (who received the funds). Mention is made of letters of acknowledgment received and others that are expected.
