1. ISMAEL SUAREZ DE LA PAZ HAS SPENT MORE THAN A MONTH IN MEXICO ON A SPECIAL COFFEE SEED BUYING MISSION FOR CUBAN PREMIER, FIDEL CASTRO RUZ. (HEADQUARTERS COMMENT: SUAREZ ARRIVED IN MEXICO 23 OCTOBER 1966 ASSIGNED AS AN ATTACHE IN THE COMMERCIAL SECTION OF THE CUBAN EMBASSY). WHEN SUAREZ FINALLY CONCLUDED NEGOTIATIONS FOR THE PURCHASE OF TEN TONS OF SEED, HE FOUND UPON DELIVERY THAT THE MEXICANS HAD WET THE SEED AND THAT MOISTURE ACCOUNTED FOR ONE TON OF THE WEIGHT OF THE SHIPMENT. THIS DECEPTION REPRESENTED A LOSS OF \$10,000.00 (U.S. DOLLARS) TO THE CUBANS.

<p>Reference: HMA 30540 of 10 November 1966</p> <p>1. A PRQ Part II for LIRING-3 is being forwarded under separate cover. It is to be noted that LIRING-3 has not been recruited in the name of WOFAC, but instead is engaged in clandestine activities for Wallace B. ROWTON, who LIRING-3 believes is a Greek businessman with international connections who requires economic, political and personality information in order to conduct his business.</p> <p>2. The fact that LIRING-3 is not aware of his WOFAC connection, at the present time, outweighs the value which would accrue were an attempt made to make him knowledgeable. He performs clandestinely for ROWTON and he is actually attacking priority targets. In this way he works against the target with a clear conscience and his left-wing sentiments are not threatened.</p> <p>3. The operation is moving, however, toward the eventual full recruitment of LIRING-3, but it is moving slowly in that direction because of the political and social beliefs of Subject. One advantage of this false flag recruitment of this individual, at the present time, is the fact that he is able to enter the target area without fear of capture and exposure as an enemy agent. Under the present plan of operation he believes his work actually is aiding the revolution which he believes in from an idealistic standpoint.</p> <p style="text-align: right;"><i>Frank C. Subject: Review and Assessment of LIRING Operation.

I. Background, Character and Assessment of LIRING/3:

1. Liring/3 (Subject) is a 36-year-old Mexican artist of the Diego Rivera School and an atheistic existentialist oriented toward the philosophy of Jean Paul Sartre, with relatively strong leftist political convictions. He has produced a fair amount of painting and had relatively good success in murals both in Cuba and Mexico, but has not succeeded in selling many of his works, despite numerous expositions, sponsored by the Mexican Government plastic arts organization (Bellas Artes). Because of his family, educational and environmental background, Subject feels that his work has not been appreciated for its intrinsic worth by the Mexican Government and tends to blame his political convictions for this lack of acceptance. Subject, however, has, as he himself asserts, no feelings of bitterness or resentment, although he frequently experiences the "anguish, foreboding and loneliness" of the existentialist, but he has not permitted himself to degenerate into a beatnik either in his personal or artistic life. Subject has confided to Rowton that he has no real friends and that he has withdrawn from society, the dictates of which he cannot accept. He enjoys the prospect of travel, especially abroad, "to develop his art" but also as an escape from the pressures and obligations of the social life he has been forced to lead in Mexico.

2. Shortly after he met Rowton in April, 1966, Subject confessed that he felt himself at a critical point in his personal and artistic life. He indicated that he felt the paradoxes inherent in his philosophy were overwhelming and depressing him and that he welcomed friendship with Rowton, an experienced foreigner whom he felt he could trust implicitly. At one critical point, Subject quit his rather tedious job with the Ministry of Education (teaching art in a public school) with the comment that "everyone must make personal decisions and take risks, and I have decided to throw my lot in with you (Rowton) for better or worse, and so have quit the job since it was interfering with my availability". This he did without knowing any more about Rowton than his name, which technical surveillance revealed he did not accept as a true name, and with no guarantees of future financial support from Rowton. Rowton, in his conversations with Subject, has been careful not to reveal any data concerning his personal life and background, including his permanent or local address, providing Subject only with the number of a telephone answering service, and using the safehouse rented by Subject as a principal point of contact. Subject has accepted money from Rowton, at first only for previously approved expenses, and subsequently for his personal use, but has accepted Rowton's initiative in this matter, and made no demands on Rowton for remuneration for services rendered. He has been meticulous in accounting for funds and shown no reluctance to sign receipts presented to him by Rowton (with his true-name signature). Subject has confessed (and shown) an almost complete lack of experience in business and intelligence work, but has accepted Rowton's guidance, where required, without hesitation.

3. Subject, in his political outlook, is left of center, with a history of revolutionary activity in Cuba from 1961 until his return to Mexico in 1964. Subject has insisted to Rowton that, because of his (existentialist) philosophy, he has never permitted himself to join any organization, including the communist party, although he has given moral and material support to revolutionary movements both in Cuba and then Mexico. Subject has confessed his disillusionment with many of the revolutionary leaders in Cuba and with all of the Mexican leaders, remarking that sooner or later "the real" revolution will come to Mexico to eliminate the corruption and injustice that prevails throughout the country. Subject, however, feels that in the meantime he must live under a more practical philosophy of daily life and is willing to make the necessary compromises to assist Rowton in his business affairs. Subject has shown no reluctance to exploit his friends, and even his wife, to be of specific service to Rowton, and has, on numerous occasions, volunteered to do so with Rowton's approval. This appears to Rowton to be a reflection of the existentialist conviction that his philosophy gives him freedom to choose without dependency, obligation or justification.

4. Rowton is aware that Subject is currently undergoing a decisive climacteric, the future direction of which is not as yet certain. Rowton has succeeded in making Subject compromise a great deal with his past ideal, particularly concerning deep involvement with other people and acceptance of financial support for purely business transactions, and for this reason has hesitated to uncover for Subject any of the mystery surrounding his own life and activities. Subject dislikes "Northamericans" and considers life in the U.S., with which he is not familiar from experience, as corrupt and decadent. Rowton feels that he can eventually break down Subject's prejudice, if this proves to be necessary and worthwhile, but it would be fatal at this time for Rowton to reveal his [redacted] and [redacted] connections. Subject is, in his own words, completely confident of Rowton's good will toward him and is, at least for the moment, totally dependent upon him for guidance as well as financial support. Any attempt at direct recruitment ^{WOFAC} ~~WOFAC~~ ^{TOP} at this point would, in Rowton's opinion, be counterproductive. In his various contacts with the Cubans thus far, particularly his current visit to Havana on what appears to be an IS briefing, Subject can in all respects act naturally, without the feeling that he is concealing anything from his Cuban friends, simply because he is unwitting of Rowton's true affiliations and intentions. If he were witting, he would appear to all concerned to be suffering from a severe psychological crisis, and certainly would not be in a good position to produce useful information or inspire confidence. Subject is under some strain as a result of his current relationship with Rowton in his capacity as an international bourgeois businessman, a fact attested to by his wife to Rowton on 7 November when she expressed concern over Subject's recent moodiness and lack of interest in painting. Subject has also become involved in a love affair with one of his rich art students, a Mexican woman who is known to visit Subject at the safehouse.

5. In summation Rowton feels that Subject is excellent potential agent material, both because of his background and experience as well as his direct access to targets of interest. The problems inherent in his philosophical and psychological make-up will continue to be taken into consideration in developing Subject's full potential. The obvious disadvantages of Subject's unwitting status vis-a-vis [redacted] can be overcome by careful handling of Subject and increased control over him in the future.

WOFAC

B- Development of LIRING/3 by Rowton:

6. Rowton met Subject in April, 1966, by cold approach in the art studio where Subject at the time was presenting his latest works under sponsorship of Bellas Artes. Rowton posed as a Greek businessman interested in Subject's style and his immediate objective at the time was to ascertain the address in New York City of Subject's wife's father (a Cuban of Chinese origin who had left Cuba as a refugee). Rowton, feeling that he had to present an above-average prospect to Subject to permit future meetings, alleged that he was anxious to arrange for the painting of a mural to be installed in a New York nightclub owned by a Greek friend of his (Rita Dimitri, owner and performer at the "La Chansonette"). Rowton felt that pin-pointing a "New York nightclub" would have the double advantage of determining Subject's sentiments toward working in New York City and in a bourgeois environment.

7. Subject reacted very favorably to the initial approach and accepted Rowton's invitation to dinner in the company of Subject's wife the next evening. Both Subject and his wife were cautious in revealing any specific data concerning their background and personal history, but neither concealed their mutual approval of Castro's regime and dislike for the corruption in Mexico. As a result of this meeting Rowton realized that any attempt at a direct approach to either Subject or his wife, who was then employed part-time at the Cuban Consulate, would be counterproductive and that a more subtle approach would have to be developed. Rowton decided that a strong personal relationship developed with Subject would be productive and could eventually lead to useful production on Subject's part.

8. When, therefore, on 2 May, 1966, Subject expressed gratification at having met Rowton and indicated that he wished to continue his friendly contacts, regardless of whether Rowton purchased his painting or arranged for the mural, Rowton moved in with an offer to "hire" Subject as his business associate on an unofficial basis, so that Subject could acquire a degree of independence financially and perhaps do some traveling for Rowton. In order to develop as much clandestinity as possible in his future contacts with Subject, Rowton explained that he was simply a tourist in Mexico and as such not permitted to engage in lucrative business activities. He would therefore have to depend on Subject's discretion in any dealings he might have with him. Subject accepted this as quite normal but pointed out to Rowton his limitations as far as business training and experience went. In reply to Rowton's query, he did confess, however, that he had excellent contacts in Havana that could be exploited for business dealings with Cuba. He volunteered to make an exploratory trip to Havana to renew his friendship with the persons concerned. Rowton accepted this offer, not only to test Subject's story but also to seize the occasion to be in a position to provide Subject with money to make the trip and thus compromise him somewhat at the outset.

9. Rowton's next move was to explain to Subject that he had a long-term interest in Cuba and hoped to do a great deal of business in the future but first felt it was essential that both he and Subject develop the proper contacts inside to ensure success. Subject readily agreed to this and felt relieved that Rowton did not expect him to produce concrete results overnight. When Rowton, therefore suggested that Subject find and rent a safehouse for entertainment and development of prospective contacts, Subject went to work immediately without question. (Although Rowton's suggestion was first made on 17 June, Subject did not succeed in finding a suitable place until the end of July.) This project, however, gave Subject something specific and relatively clandestine to do for Rowton without seriously compromising any of his principles. Subject, as it developed later, was interested in such a hide-away, unknown even to his wife, for his own purposes.

10. Inasmuch as Subject and his wife had long lived an almost ascetic life in a small sparsely furnished apartment with no apparent luxuries and dressed in the simplest and apparently most inexpensive clothing available, and furthermore apparently did not have any conscious desire to improve their living conditions, Rowton realized that financial control over Subject would be difficult to establish unless Subject and his wife could be made to lift their eyes to see a more comfortable and promising life within their reach. He therefore chose some of the best restaurants for lunch dates with Subject (prior to the renting of the safehouse), brought several relatively expensive dolls and toys for their child, arranged through the CQS to have a credit account opened for Subject and his wife at Sears Roebuck Stores and was able to present Subject with a credit card that would enable Subject and his wife to make effortless purchases on credit. Rowton also persuaded Subject to open a checking account at the Banco de Londres y Mexico, ostensibly so that he could keep better track of the rent payments on the safehouse. All these bourgeois trappings were calculated to raise Subject and his family from the complacent proletariat standard of living into which they had sunk. Subject expressed to Rowton his appreciation for such gestures and confessed that he now realized the importance of these outward signs of respectability and as a result felt more able to step into the world of higher society. His wife also revealed in her comments of appreciation to Rowton that she welcomed the prospect of a better life for herself and her child and hoped to be able to purchase enough furniture to make her home respectable and permit her to invite guests occasionally.

11. The one adverse effect of this effort on Rowton's part has been that Subject began to use the safehouse apartment for amorous trysts with one of his art students, an apparently wealthy Mexican woman, who has now in effect become his mistress (as revealed by technical surveillance from an IP in the same building set up and run very effectively by Medbury). Subject has revealed the name and address of this woman to Rowton in connection with the establishment of a P.O. Box which could be used as a drop for communication between Subject and Rowton while the former was in Cuba, but he has not to date told Rowton of his illicit relationship with the woman. This development can, of course, serve as a potential control over Subject and can be used in any future examination, but, on the other hand may lead to complications in Subject's personal life and create hostility on the part of his wife, should she discover the philandering of Subject. She might likewise tend to blame Rowton for Subject's conduct. For this reason Rowton has made every effort to maintain good relations with Subject's wife (she has already confided to Rowton her concern over Subject's recent moodiness, as stated above) in the hope that she will turn to Rowton for help in the event she feels her marriage in jeopardy. Consideration is also being given to the possibility of breaking up as discreetly as possible Subject's affair with the Mexican woman in the event that it becomes more serious. Technical surveillance of the trysts will continue to provide useful information in this direction.

12. With regard to the use of Subject unwittingly to elicit operational information from his Cuban friends in Mexico City as well as Havana, Rowton gradually impressed on Subject the need to acquire all possible information both political and economic on Cuban developments as a prelude to engaging in serious and lucrative business with the Castro regime. Subject accepted this line without question and did produce some useful inside information of value. The turning point, however, came in connection with the disappearance of Julian López, the Press Attaché of the Embassy in Mexico City in late September, 1966. Subject reported the disappearance to Rowton with some glee, commenting that he and his wife were convinced that López had gone

off on a binge with some friends. Subject then repeated to Rowton his criticism of López' childishness and inexperience and recalled that when he himself had pointed out to López his negligence in handling his Embassy functions (in the Press and Cultural field) López had shrugged off his admonitions with the comment that there were more important things to do for the revolution. The disregard, bordering on disdain, with which López as well as apparently other Cuban officials, had greeted Subject's friendly advice in the past, obviously cut Subject to the quick and fostered in him the resentment of a peasant toward his master. Taking this into consideration and in the hope of stirring up as much trouble for López and the Embassy as possible, the Station permitted Rowton to pass to Subject the highly restricted information that López had actually been arrested by the Mexican police for complicity in the arms smuggling ring that had recently been uncovered in their operations from Mexico into Guatemala. Rowton gave Subject enough details to make the story convincing and asked Subject to attribute the information to "Central American friends" and to stress that it was already in the hands of the press. In addition Rowton suggested that Subject pass this information personally to López as a hot tip so that López could discreetly disappear before the reporters managed to question him. When Subject did as requested by Rowton, López was apparently so overwhelmed with gratitude for Subject's good intentions that he informed the Ambassador the following morning (just before his sudden departure for Havana). Events then moved swiftly. The Ambassador called in Subject and expressed his personal appreciation for Subject's interest and help in this delicate matter and agreed with Subject that the involvement of Embassy personnel in arms smuggling was placing Cuban-Mexican relations in jeopardy. Overnight this raised Subject's status in the eyes of the Ambassador and his closest advisors (Curbelo and Ceneda) to that of a valued confidant rather than simply a friend of the revolution. This obviously pleased Subject and made him all the more anxious to conceal the role of Rowton in the affair so that all the credit would continue to fall to him.

13. As a result Subject was subsequently called in by Curbelo and Ceneda and asked to offer his services to help the Tricontinental in its work in Central America. On Rowton's advice (which Subject solicited) the offer was accepted on condition that the work to be done would be serious (i.e. worth the personal risks Subject would have to run) and that Subject would be permitted to work without the overt involvement of the local Embassy. These conditions were promptly accepted and Subject was invited to visit Havana again so that he could be briefed on the spot by Casani Cienfuegos and his staff.

14. Subject was thus catapulted into the level of IS activities, with Rowton maneuvered into a position of éminence grise. It remains to be seen following Subject's return from Havana (estimated at 21 November, 1966) whether Subject will be entrusted with secret requirements by the Tricontinental, but it appears certain at this point that Rowton will be able to provide full guidance to Subject and to steer the operations he might be engaged in toward targets of interest to [redacted] WOPAC.

C- Biographical Data Elicited from LIRING/3:

15. Subject was born in Mexico City in 1930 of a middle class family. Subject's grandfather was a well-known textile merchant who served some 12 years as president of the Chamber of Commerce. At least one of Subject's aunts is currently well-to-do and the owner of several apartment houses in Mexico City. Subject has at present little or no contact with his family.

16. At the age of 15 Subject left home to join the Mexican Navy. Subject has commented to Rowton that his childhood was not particularly happy and that his mother and father separated, apparently when he was in his teens. It appears likely that Subject left home as a result of family dissension. Subject states that his desire to travel and see the world was very strong at the time he joined the navy.

17. Inasmuch as the legal age for enlistment was 18, Subject had to have his birth certificate altered to show that he had been born in 1927 rather than 1930. As a consequence all of Subject's official documents now show his birth-date as 1927, including his passport.

18. Subject served a three-year hitch in the navy and visited nearly all the ports of Mexico and many of Central America. Subject's speciality appears to have been in the quartermaster branch, since he learned the rudiments of navigation and ship-handling. When he left the nval service, Subject entered the University of Mexico and took courses in Archaeology and Anthropology for the next two years. Subject simultaneously developed a strong interest in painting and sculpture and over the next five or so years, studied under such masters as Rivera and Siquieros.

19. Subject was married in 1950 at the age of twenty years to a young Mexican woman from Leon, GTO. and during the next ten years had at least four children by her. He divorced his wife in about 1960, just prior to his departure for Cuba, but he had not been on good terms with her for several years prior to the divorce. From about 1954 to 1960, Subject worked in the Mexican Government Social Service among the Indians in the southern states of Mexico. Subject attributes some of the tension that arose between him and his wife to this employment venture. He commented to Rowton that his first wife wanted to live a quiet normal life in Mexico City and was unwilling to share with him the hardships of social work in remote areas of tropical Mexico. During this period Subject gradually developed his own style in painting and began to establish close contacts with Mexican art circles.

20. Subject went to Cuba in about 1960 "to join the revolution", apparently as a result of his increasingly leftist political sympathies. He did a relatively large amount of painting and mural work during his four-year residence in Cuba, while at the same time working in the Ministry of Labor and Education. In about 1961 he married a Cuban woman of Chinese origin from Santiago de Cuba and the following year a (girl) child was born to them in Havana. Subject has told Rowton that he has had very little contact with his first wife since his divorce and pays no alimony. He added that his family, however, has continued to take an interest in his first wife and the children of his first marriage and has helped to support them financially. During his stay in Cuba, Subject developed close friendship with many Cuban revolutionaries, particularly Arnol Rodriguez, whose wife worked with Subject in the Ministry of Education at the time when Arnol Rodriguez was serving as Minister of Labor.

21. Subject returned to Mexico City in 1964 with his new wife and child (whom he had naturalized as a Mexican citizen). By this time Subject had become a professional artist but supplemented the rather modest income he acquired from the sale of his painting by teaching art privately and in Mexican public schools. His monthly income during 1965 and early 1966 did not exceed 3,000 pesos.

MEMORANDUM:

SUBJECT : Handling of LIRING-3 as Hostile Agent

In view of Station Mexico City's statement in paragraph 6 of MEXI 8944 (IN 23093), which presumably comes from LIRING-3's handler Wallace B. ROWTON, to the effect that LIRING-3 "still has strong anti-U.S. feelings", the time has come to review the LIRING-3/Op^(copy) in the same cable. The Station set forth several control elements including true name receipts and taps made in ROWTON's safehouse of LIRING-3's amorous sessions with a young art student. What appears to be lacking is ^{possibly} not considering the case as the handling of a double agent, ~~possibly~~ hostile, his "homework"--that is to say, that there are certain actions that should be taken in the case as follows:

- a. Placing of a phone tap on L-3's telephone, if it can be determined that he has a telephone.
- b. Intercept of all mail going to LIRING-3's home address.
- c. Physical and photo surveillance of L-3 to determine any patterns of actions or contacts with suspicious persons, ^{to see} if L-3's contacts and actions agree with what L-3 tells ROWTON and to allow ROWTON to be prepared to cover himself in his relations with L-3.
- d. To discretely investigate L-3's sources of income, i.e., to see if his income from teaching art classes (and more recently from his wife's salary from ^{Latin} LIRING) are sufficient to account for his scale of living, whatever it is.

Secret

There are indications in the file that the "homework" as outlined above has not yet been done. The Station was queried in DIR 39039^{DIR 14167} and in DIR-07441^{no 1} as to the above matters. It is noted in MEXICO CITY-8944 that the Station said that it did not as yet have "independent checks" on this agent, beyond evidence of entry to the Cuban Embassy furnished by LIONION photo surveillance, and in fact had only his word on claimed actions and statements^{in previous correspondence,} and that LIENVOY and LITAIN-2 confirm that L-4, L-3's wife, is definitely employed as a secretary to LIRING-1 as claimed by L-3. The Station tended to doubt that L-3 is a Cuban plant but said that even if he were, that it was no additional risk (the Station was referring to a proposed trip by L-3 to Cuba) since L-3 would be provided with a suitable uncheckable explanation as to how L-3 obtained info on the LOPEZ case.

e. Check as suggested in DIR 07441 on status of LIRING-4's father, who is presumably a Chinese, reportedly in the United States. This is of interest in view of stringent U.S. entry requirements laid on Chinese.

Should given the word at his TDY trip Oct 66

AT SAME TIME L-3 BELIEVES CUBANS OPERATING IN MEXICO WITH POOR SECURITY AND FEELS THAT WITH ROWTON'S ASSISTANCE COULD DO BETTER JOB AND SERVE BOTH ROWTON AND REVOLUTION. Western Trade With Cuba Down

MIAMI, Sept. 14 (AP)—An exile organization reported today that Western world trade with Communist Cuba declined sharply last month compared with the same month in 1965. The group said.

The organization, the Cuban Revolutionary Unity (UR), which claims it keeps track of ship dockings in Cuba, said only 14 ships from non-Communist countries called at Cuban ports last month. This was a drop of 65.6 per cent compared with August, 1965, the group said.

In Cuba last month, eight belonged to Britain, three to Greece, and one each to Lebanon, France and Italy, the report said.

Interesting, in new LIRING-3 report that Cuba needed 24 bottoms.

THIS PROJECT IS BEING HELD AS SECRET INFORMATION, AND MANY CUBAN OFFICIALS DO NOT KNOW OF IT, EVEN IF THEY ARE CONCERNED WITH TRADE AND SHIPPING MATTERS. INFO Deputy Chief WB/C and Chief of Station/DRAGVE			NO INDEXING REQUIRED
FROM Chief of Station, Mexico City			ONLY QUALIFIED DESK CAN JUDGE INDEXING
SUBJECT LIRINGO-1 and LIRINGO-2			MISCELLANEOUS
ACTION REQUIRED - REFERENCE			
<p>1. On 6 September 1966 station Officer Lawrence V. BARKER attended a meeting of the Consular Association, a lawyers only, retired officers association used in the past to meet as a stopgap since its status by honorary consular officers. With the exception of LIRINGO-2 as president of the group in late 1965, representatives of consulates not friendly with PERU/MEX have generally boycotted the meetings. It was held that the incumbents were going to present their resignations so that either slate of officers might be elected, BARKER was selected to attend for DRAGVE. As it turned out, the meeting drew only nine persons and so business of any consequence was precluded. LIRINGO-2 was elected president of the group as previously noted. The purpose of this dispatch is to reword certain conclusions drawn about LIRINGO-1 and LIRINGO-2. The latter "presided" over the meeting.</p> <p>2. LIRINGO-1 impressed BARKER as being intelligent, articulate, self confident, affable etc etc etc. It was clear that, while LIRINGO-1 holds no office in the association, he intended to speak for himself and LIRINGO-2. He explained in a straightforward manner that he felt that the end state of the association was due to politics; namely, that a representative of a "socialist country" (LIRINGO-2) had been elected president in a specially attended meeting. He felt that because of this most of the other consular officers were avoiding meetings and that no amount of nice diplomatic talk could make over this fact. (This impressed BARKER as a good estimate of the situation). LIRINGO-1 then said that he felt it would be best for LIRINGO-2 to step down so that the association could once again draw people to its meetings. He further promised that the PERU/MEX representative would stick with the association as ordinary members and give their full support to the next slate of officers.</p> <p>3. Dressed in a rather lumpy and shabby suit that appeared to have been made from old army blankets dyed dark blue, LIRINGO-1 made up for his appearance and slight stature by flashing a warm smile and being pleasant throughout the meeting which consisted of a session at the bar followed by dinner. <p>attempted, apparently with success to exorcise all BARKER slang and accent from his own speech, and LIRING-1 never inquired whether BARKER had ever been to PARKER or had any connection with matters PARKER. He seemed genuinely interested in a BARKER opiel on Keyan acoustology and anthropology and by the end of the meal was slapping BARKER on the back. While young and perhaps somewhat immature, LIRING-1 appears to be a tough character - quick witted and thoroughly convinced that he stands for what is right. The overall impression is consistent at variance with what had been expected from AMFICOR-1 and, to some extent, AMFICOR-1 reports. LIRING-1 is no "old" and while he may have plenty to learn in the intelligence trade he appears to be quite capable of learning it given sufficient time. From the opposition viewpoint he should be an effective agent developer.</p>		
<p>4. For the record, it should be noted that he has a ruddy complexion and bright blue-green eyes.</p>		
<p>5. LIRING-2, on the other hand, appears to be a rather wispy-washy sort of person. Although superior to LIRING-1 in the association and within LIRING itself, he took a back seat to LIRING-1 in the discussions. He seems to be considerably intimidated. He is pleasant but one gets the impression that this is a matter of diplomatic correctness.</p>		
<p>6. The above observations are all based on a one-time, two-hour encounter and may well be inaccurate. They are set forth, however, in an effort to assist in arriving at a correct assessment of key opposition personnel, primarily LIRING-1. He has the makings of a good operator and merits respect as well as study with a view to his eventual recruitment.</p>

1. Headquarters was interested to learn of JUSLIER-1's report of Mauricio de la BELVA's claim in reference A that... "they have a center in Tehuantepec for the training of guerrillas for Central America..." in the light of Subject Report involving the same general area and the identification of Mauricio de la BELVA Vazquez by AMW-1 in 1964 as the Salvadoran Communist Party, link with the Cuban Intelligence Service in Mexico City.

2. For the information of Stations Guatemala City and San Salvador, reference B reported information from a Mexican ex-military physician of unknown reliability that the Cuban Consulate in Florida had established a group of Cubans in Huixtla, Yucatan, where the Huehuetenango San is being finished, who are training Mexicans in guerrilla tactics; and reference C reports background information on Huixtla published in the Mexican pro-Communist magazine Siempre under the byline of one Carlos NAVARRETE. It was noted that a person by the name of Carlos NAVARRETE had been reported by MICOCT-1 in 1963 as a Guatemalan Communist living in Mexico. It is now asked that the Siempre staff appears now only to have been taking more than usual amount of interest in the Chiapas area (which includes Tehuantepec). In addition to the NAVARRETE article on Huixtla, the 31 August 1960 issue carried no less than eleven articles and a four-page color picture spread on the area by Jacobo Fatiwidera DOMILLAN, Marcial SANCHEZ, Pedro ALVARADO Lang, Pablo MONTANES, Antonio FLORENTIN, Nahor KAHN, Renato LEON, Jose CIBON, and Rodolfo MARTINEZ. One of the articles by DOMILLAN even noted that on the road from Tapachula, the entire Siempre team almost perished in a near-automobile accident. Barvian Movimiento de Liberación Revolucionaria (MLR) by Antonio CARRIL. Antonio CARRIL may be identical with Antonio CARRIL Lafud, a Mexican Latin American in Mexico City who was born in Tuxtla, Chiapas. CARRIL was reported to be a high official of the Frente Revolucionario del Pueblo (FRP) in 1963 and is believed to be identical with the Antonio CARRIL who was reliably reported in May 1963 to be in contact with Odoardo ROVINE of the Czech Embassy in Mexico City. While of course none of the foregoing may have any direct association with reports of guerrilla training in this area or with the arrest of Victor RICO Colon, the noted Spanish writer and pro-Castro activist, on 18 August 1963 for subversive activities, the information may be of background interest.

3. If KXSI-14504-1 is declassified, it might be of interest to attempt to ascertain if he has any further light to throw on the Tabasco area with respect to guerrilla training activities and to ask him to keep AA ear out for such information.

AGREED WITH ROWTON HE SHOULD NOT APPEAR NEED FUNDS TO MAKE TRIP SINCE WANTED CONTINUE HAVE FREE HAND IN PRELIMINARY NEGOTIATIONS. WOULD EXPECT CUBANS FINANCE HIS ACTIVITIES ONCE BEGINS WORKING FOR THEM. FINANCES NOT MENTIONED IN MEETING WITH L-2.

5. L-3 FEELS CUBA NEEDS COMMERCIAL CONTACTS WITH WEST. SINCE ROWTON DOES NOT APPEAR AGAINST REVOLUTION AND WANTS DEVELOP TRADE WITH CUBA, L-3 WILLING WORK FOR HIM. AGREES WITH ROWTON THAT TO TRADE WITH CUBA, MUST HAVE GOOD INSIGHT IN WHAT IS GOING ON THERE, POLITICALLY AS WELL AS ECONOMICALLY. AT SAME TIME L-3 BELIEVES CUBANS OPERATING IN MEXICO WITH POOR SECURITY AND FEELS THAT WITH ROWTON'S ASSISTANCE COULD DO BETTER JOB AND SERVE BOTH ROWTON AND REVOLUTION. - WALLACE B. ROWTON DEPARTING ON HOME LEAVE 18 AUGUST.
- AFTER THROUGH REVIEW (LIRING-3) OPERATION FEEL IT MOST DESIRABLE KEEP DIRECT CONTACT WITH LIRING-3 (WHO LIABLE GO CUBA AND POSSIBLY GUATEMALA IN NEAR FUTURE) DURING ROWTON'S ABSENCE. UNTIL SGSWIRL CAN BE GIVEN LIRING-3 BY SPANISH SPEAKING OPERATOR AS REQUESTED BY STATION, FEEL IT WISE NOT PUSH LIRING-3 TO WITTING LNHRP RECRUITMENT. THEREFORE BELIEVE LIRING-3 SHOULD BE HANDLED BY SPANISH SPEAKER ABLE PASS NOTIONALLY AS EUROPEAN BUSINESS FRIEND OF ROWTON (I.E. WITHOUT GRINGO ACCENT). ALTHOUGH KNOWLEDGE EUROPEAN LANGUAGE NATURALLY DESIRABLE IT NOT ESSENTIAL AS PER ROWTON LIRING-3 WILL NOT QUESTION BACKGROUND HIS FRIEND OR MEET HIM IN PRESENCE OF OTHER FOREIGNER SINCE MEETINGS HELD IN SAFEHOUSE. 1. USING REFS ABOVE AS BASIS FOR DISCUSSIONS BETWEEN
 GUATEMALA CITY COS AND MEXICO CITY STATION OFFICERS ON
 OPERATIONS WHICH CAN BE INITIATED BY WOFACI TO AID MEXICAN
 AND GUATEMALAN GOVERNMENTS COUNTER GUERRILLA ARMS SMUGGLING
 FROM MEXICO INTO GUATEMALA. FOLLOWING POINTS EVOLVED:

A. MEXICAN AND GUATEMALAN GOVERNMENTS APPARENTLY
 BELIEVE MOST SMUGGLING OCCURS IN SOUTHEASTERN PORTION STATE
 OF CHIAPAS ON MEXICAN SIDE AND SOUTHWESTERN PORTION GUATEMALA
 WHERE GOOD ACCESS ROADS EXIST. MOST SMUGGLING DONE VIA TRUCKS,
 BUSES AND OTHER VEHICLES. BOTH GOVERNMENTS COOPERATING CLOSELY
 AND HAVE BEEFED UP OR HAVE PLANS TO BEEF UP MILITARY UNITS

PAGE 2 MEXICO CITY 9849 S E C R E T

THIS BORDER AREA TO DETECT ARMS TRAFFIC. GUATEMALAN SECOND VICE MINISTER DEFENSE, COLONEL FRANCISCO SOSA AVILA, HAS INITIATED UNILATERAL OPERATION TO PENETRATE GUATEMALAN CUSTOMS HOUSES IN KEY AREAS TO DETERMINE WHO AIDING SMUGGLERS.

B. TREMENDOUS SURGE OF GOODWILL WHICH NOW EXISTS BETWEEN MEXICAN AND GUATEMALAN GOVERNMENTS WILL CERTAINLY AID IN KEEPING JOINT OPERATION OF WIPING OUT SMUGGLERS ON TRACK. TEND BELIEVE MAJOR WOFACT EMPHASIS SHOULD BE ENCOURAGEMENT AND AID TO BOTH GOVERNMENTS WITH ADVICE, TECHNICAL EQUIPMENT, TRANSPORTATION, MONEY AND HARD INFO ON SMUGGLING ACTIVITIES WHEN AVAILABLE. AS CITED IN REFS, GUATEMALA CITY STATION HAS ALREADY INITIATED SUCH MATERIAL SUPPORT TO GUATEMALAN TREASURY GUARD TO BUILD UP ITS COLLECTION CAPABILITIES.

C. REGARDING COLONEL SOSA'S UNILATERAL PENETRATION OF THE CUSTOMS HOUSES ALONG THE BORDER, MEXICO CITY STATION CAN DISCUSS SIMILAR POSSIBILITY WITH ⁹⁴⁵³³² LITEMPO-8 TO SEND PERSONNEL TO PENETRATE MEXICAN CUSTOMS HOUSES. THIS MIGHT REQUIRE FINANCIAL AID FROM MEXICO CITY STATION TO PAY SALARIES OF ADDITIONAL EMPLOYEE/AGENTS.

2. UNILATERALLY, STATIONS PLAN:

A. EXPLOITATION OF WHATEVER POTENTIAL ⁹⁹⁸³⁰¹ LTRING-3 AND ^{C-16251} MORRIS K. UMPHLET MAY HAVE IN PENETRATING GUATEMALAN GUERRILLA MOVEMENT AND ARMS TRAFFIC RING. THESE PLANS DISCUSSED IN SEPARATE COPIES

9 JAN 1967

B. LIRENO-1, FORMER MEXICAN IMMIGRATION OFFICER, WILL BE QUERIED ON HIS ABILITY RECONTACT FORMER COLLEAGUES ALONG BORDER AREA WHO HAVE ACCESS INFO ON ARMS SMUGGLING FOR POSSIBLE UNILATERAL RECRUITMENT. THIS DIFFICULT OPERATION, HOWEVER, BECAUSE OF COMM PROBLEMS CREATED BY DISTANCE FROM MEXICO CITY. ALSO, ANYONE WHO NOT FROM BORDER AREA EASILY SPOTTED BY LOCALS AND WOULD CREATE SUSPICION.

C. ON 5 OR 6 JAN 67, MEXICAN AND GUATEMALAN AUTHORITIES PLAN MEET TO DISCUSS SMUGGLING ACTIVITIES AND WHAT THESE GOVERNMENTS CAN DO TO JOINTLY SMASH ARMS TRAFFIC. COS GUATEMALA WILL FIND OUT WHO ATTENDED MEETING AND WHAT WAS AGREED UPON TO GIVE MEXICO CITY STATION CLEARER IDEA OF FOLLOW UP POSSIBILITIES.

D. IN VIEW FACT LIREBEL-1 TRIP TO CUBA HAS NOT PANNED OUT TO DATE AND FACT HE COULD BE OF IMMEDIATE USE TO GUATEMALA CITY STATION IN WORKING WITH GUATEMALAN GOVERNMENT ON GUERRILLAS AND ARMS TRAFFIC, PLAN CANCEL CUBA TRAVEL AND HAVE HIM RE-ENTER

2. DESPITE LINLUCK ASSESSMENT CAPUANO WHICH SHOWED OBVIOUS PREJUDICE, STATION INTENDS REVAMP PLANS FOR CAPUANO RECRUITMENT ATTEMPT. CABLE TO FOLLOW.

3. ONE OF MAIN POINTS IN ENTIRE CASE IS HOW SERIOUS IS SMUGGLING THREAT. THERE ARE THOUSANDS OF ARMS IN GUATEMALA FROM VARIOUS HISTORICAL INCIDENTS (1954 FALL OF AREENZ REGIME; 13 NOV 1952 UPRISING WHEN LARGE AMOUNTS OF ARMS TAKEN FROM GUATEMALAN MILITARY; 1961 WHEN ARMS LEFT IN GUATEMALA TRAINING SITES AFTER BAY OF PIGS; AND CONTINUOUS INFILTRATION OF ARMS ON SMALL SCALE OVER PAST SEVERAL YEARS). MOFACT GOALS OF JOINT OPERATION ARE TO DETERMINE EXTENT OF ARMS SMUGGLING INTO GUATEMALA FROM MEXICO AND ASSIST GUATEMALAN AND MEXICAN AUTHORITIES IN EFFORT REDUCE ARMS TRAFFIC AND GUERRILLA THREAT AS MUCH AS POSSIBLE.

4. CANNOT ESTIMATE COST OR DURATION OF OPERATION YET, BUT EXPECT SOME FINANCIAL ASSISTANCE MAY BE REQUIRED TO HELP BOTH GOVERNMENTS ESTABLISH INTELLIGENCE NETWORKS IN BORDER AREA. THIS, OF COURSE, IS IN ADDITION TO TECHNICAL AND OTHER

MEMORANDUM FOR THE RECORD DATE 20 DEC 1967

SUBJECT FILE NUMBER
X09668 - 798301

Rec'd for coordination an outgoing cable to MEXI, saying that PREVCHIS had been granted a limited Contact. A memo'd POA on 19 Jan '67. The next sentence said that WHI was asking for amendment of this contact & assessment POA so that PREVCHIS could provide cover for LIRING-3 (201-798301). ~~Re~~ Jack Stewart, at the end of our conversation when I mentioned L-3, said "I hope you never get mixed up in the LIRING-3 case. What a mess".

I informed Stewart I had been deeply "mixed up" in the L-3 case since 3 June '66 when Stewart himself requested a POA on L-3. I told him of the three notices over a six month period I had sent to WHI asking for resolution of the derog info and my invitation to discuss. CI/OA never heard a word from WHI in answer to my notices. Then on 20 Dec '66, CI/OA closed the LIRING-3 file for failure to comply. Stewart said Staines was hounding L-3 as a hostile, but appeared dumbfounded that the use of such a force as a directed agent requires that that force qualify as a hostile.

Re the requested amendment on PREVCHIS, the latter has only a limited POA because of items cited in POA granting; moreover, L-3 has never had the proper approval and was technically disapproved by the action of 30 Dec. 1966.

Stewart's second outtake telling MEXI that they ^{will} were asking for such an amendment, and I coordinated on simple verification of POA action of 14 Jan '67.

Subject: Wallace B Rowton Contact with Carlos Jurado.

1. At about 1830 on 2 May, 1966, Rowton dropped into the Salon de La Plastica Mexicana in the hope of running into Subject so that he could renew contact more or less casually.

2. Fortunately as soon as he stepped into the door he found Subject engaged in conversation with the receptionist and another person (probably a Mexican employe of the Salon). When Subject spotted Rowton he broke off his conversation and moved away to greet Rowton cordially. He said that he had himself just arrived at the Salon and was very happy to run into Rowton again. After a few brief remarks, he invited Rowton to coffee in a nearby cafe. Rowton accepted and they both left the Salon without further delay.

3. Rowton remained with Subject in conversation over coffee for about 45 minutes. Subject expressed gratification in having met Rowton and several times reassured Rowton that he enjoyed conversing with him regardless of whether he made an sale of his painting or not. Rowton reverted to the theme that he had a genuine interest in Subject's future and hoped in some way to provide Subject with the means of becoming relatively independent so that he could travel and carry on his art work freely. Rowton added that he had given much thought to the idea of using Subject to help him in his economic research, since this would justify Rowton's putting Subject on his expense account. He then questioned Subject on his possible connections in Mexico, but Subject confessed that he had only limited contacts that probably would not be useful to Rowton. Rowton then moved into the target question. He stated that most of his clients in England, France and Greece were interested in Cuban requirements and perhaps Subject was in a unique position to prepare a report on what the Cuban economy required at the moment. Subject responded without hesitation that he could do something on Cuba without too much difficulty. He explained that he knew official Cubans in Mexico City, including those in the Commercial Mission, and could travel into Cuba if necessary.

4. Rowton then stressed that he really did not need too many statistics on the Cuban economy nor contact with the Cubans but wanted somehow to justify helping Subject financially. He explained that he could easily assemble some data himself, but wanted Subject to do something concrete so that he would remain in the picture and Rowton could consider him in

201-798301

2.

a sort of stringer in reporting on economic developments. Subject replied that he understood and did not see that such a task would be too difficult.

5. Rowton then asked Subject how he was coming in locating a new apartment/studio. Subject replied that he had found a desirable place near Chapultepec, and hoped to be able to move soon. Rowton then commented that he might have to leave for Paris in the next few days and would be away for about two weeks on business. He stated that he might be able to help Subject with the rent on his studio provided it had a phone. Rowton explained that he was at present paying 350 pesos monthly for secretarial service and could just as well pay Subject something for taking telephone messages. Subject replied that he would be glad to be of service to Rowton without compensation ("mi casa es suya") on such a matter.

6. Rowton then turned the conversation to Subject's wife and family. Subject revealed that his wife's maiden name (apellido) was the Chinese translation of "Flor de Durazno". He pronounced it in Chinese for Rowton but Rowton made no attempt to transliterate it and at this point cannot recall the phonetic pronunciation. Subject added that Chichay is a Cuban corruption of the Chinese given name. In reply to Rowton's direct query, Subject stated that his wife's father's mother is in Cuba but her father is in New York. He added that her father did not agree with the revolution and left but the rest of the family remained. He also stated that her mother has not remarried and lives with her brothers and sisters. Subject added that his wife felt no bitterness toward her father and in fact the father writes regularly - once a week from New York. Rowton did not press for an address at the time, feeling that it would be more discreet to wait for an opening at a subsequent meeting (when he could allege that he was planning to stop over in New York).

7. Rowton took the occasion of his alleged impending departure to ask for Subject's home address so that he could write from Europe. Subject stated that since he might move it would be better for Rowton to write to him care of the Salon rather than to his present address.

8. On leaving Subject Rowton promised to pass by the Salon again before he left so that he could say goodbye to Subject.

Subject: Wallace B. Rowton Contact with Carlos Jurado.

1. When Rowton arrived at the entrance to the Bellas Artes Building at 1100 on 30 April, as planned, he found Subject waiting on the steps. Subject greeted Rowton cordially and suggested that they take a taxi since the Ministry of Education building was a little too far to walk to. He then hailed a taxi and instructed the driver to take them to the Secretaria de Educacion Publica on Calle Argentina.

2. On arrival he escorted Rowton through the court-yard of the building and explained the murals of Diego Rivera. He commented that he felt the murals were superior to those at the Prado Hotel and Cuernavaca since they had more "social meaning". He stressed the hardship under which Rivera had worked, which included some physical danger from certain elements opposed to his socialist ideas. Rowton picked up this theme in relationship to Subject's own situation in an attempt to elicit as much information as possible concerning Subject's financial status and position vis-a-vis the Mexican government.

3. In the course of conversation Subject stated that he had received relatively little understanding and sympathy from the government officials as a whole but did receive some support from the Instituto Nacional de Bellas Artes. He explained that he was able to earn enough money from teaching assignments to be relatively independent, and not depend on sales of his pictures to make a living. In reply to Rowton's comment to the effect that perhaps his wife could find some employment to help Subject, the latter replied that his wife could not work because of her status. He quickly added that he probably would not find it difficult to procure working papers for her, but he preferred not to do so at least at the present time.

4. After completing his tour of the Secretariat of Education Building, Subject invited Rowton to view the murals of the Supreme Court Building on Pinar Suarez, which he described as superior even to those of Diego Rivera, especially because of their open defiance of official opinion. On the way Rowton continued to put discreet questions concerning Subject's personal life. Subject replied by revealing that

he lived with his wife and three-year-old child in a very small apartment near San Angel and shared a studio with another artist. He added that he was paying 650 pesos monthly rent which he considered very high for what he was getting. He also complained that the artist with whom he was sharing the studio was a dilettante who was more interested in the atmosphere of the Latin Quarter than in art for its own sake. He said he found it difficult to paint with guitars playing and cocktail glasses clinking in the background. Subject then stated that he was looking for a more suitable arrangement, perhaps in a condominio and preferably in the Tacubaya area.

5. In connection with his own future hopes, Subject stated that he wanted very much to travel to gain as much experience as possible so that his style could be crystalized. He commented that he could move easily to Cuba since his wife's family lived there and he could get along with the Cuban authorities, but he felt Mexico was better for him at the moment. He expressed preference for Sweden, North Africa and Greece. In reply to Rowton's queries, he stated that he did not feel that his daughter would present a problem, since he could leave her in the care of his or his wife's relatives. He added that she was currently attending a Jardin de Niños in the mornings and doing very well despite her tender age.

6. Subject commented also that he liked travel so much that he had joined the Mexican Navy to see the world. He added that he had been able to visit almost all the ports of the east and west coasts of North and Central America but had not succeeded in seeing Europe as he had hoped. Since Rowton was posing as a Greek, Subject expressed great interest in visiting Athens and the Middle East, and at one point asked Rowton how much money he would need to live in Athens for a month as a tourist. Subject also stated that both he and his wife were anxious to learn English and French so that they could absorb as much local culture as possible in their travels.

7. After inviting Rowton to coffee at a nearby restaurant, subject stated that he had to meet his wife and some friend's for lunch and left Rowton at about 1335 in front of the Cathedral. He promised to telephone Rowton again so that they could get together before Rowton left the country.

Subject: Wallace B Rowton Contact with Mr. and Mrs.

Carlos Jurado.

(from LTR WT-1)

1. Following a Station lead to the effect that Mrs. Chichay Jurado, who is employed by the Cuban Consulate in Mexico City, is the daughter of a Cuban residing in New York City, Rowton visited the Salon de la Plastica Mexicana, Calle Havre 7, where Carlos Jurado's paintings were on exhibit. After several unsuccessful attempts to meet Jurado by chance at the salon, Rowton left his alias and telephone answering service number with the receptionist on 17 April, 1966, and asked that Jurado contact him for a meeting. On 18 April Rowton again visited the salon (having received no message through the answering service) and fortunately met Jurado who had dropped in to pick up messages from the receptionist.
2. Rowton explained that he was interested in Jurado's style, particularly for a mural that might go well in a New York night club owned by a friend of his. Jurado was, of course, immediately interested and commented that he was most anxious to visit New York to see the Museums. In answer to Rowton's query, he stated that he did not have any relatives in New York and had never been outside Mexico. Rowton invited Jurado and his wife to dinner the following evening so that they could discuss the proposed mural. (Rowton planned, if pressed, to use the "La Chansonette" nightclub restaurant owned by his former Greek friend Rita Dimitri as the prospective client).
3. On 19 April at 1930 Rowton met Jurado at the Salon as planned. Fortunately Jurado had brought his wife Chichay along as Rowton had suggested. Rowton invited them to dinner at the Restaurants &

"El 77" at Calle Londres 77. Neither had eaten there previously and appeared delighted at the opportunity to enjoy a good dinner.

4. In the course of conversation, Jurado stated that his wife Chichay was born in Cuba and that they had a three-year old daughter. Neither he nor Chichay made any reference to her employment at the Consulate and Rowton did not feel it wise to press too hard on that subject. Rowton again asked whether Jurado had any relatives in New York in the event it might be advisable for him to travel there in connection with the mural, but neither he nor his wife responded in the affirmative.

5. Later in the evening, Jurado and his wife strolled along Calle Niza and Reforma to the Hotel Hilton with Rowton. This gave Rowton an opportunity to sound them out on politics with specific reference to Cuba. Rowton pretended to be of Greek-Irish parentage and more or less neutral in his own political views with respect to Cuba. Chichay Jurado stated that she felt Cuba was doing well and that the revolution was the only answer to the corruption that had existed previously. Carlos Jurado agreed, commenting that the "Northamerican" position with regard to Cuba was unfortunately erroneous and short-sighted. Rowton placed much of the blame on the former Batista regime but lamented the fact that in the meantime the Cuban people were suffering from the mistakes of the politicians.

6. While walking along Reforma, Carlos Jurado commented that his wife's father was Chinese but did not indicate where he was then residing. Chichay Jurado stated that she had learned some Cantonese as a child, but did not consider herself proficient in Chinese.

7. Before leaving him for the evening, Carlos Jurado invited Rowton to visit some of the better murals in Mexico City on Saturday, 23 April, and promised to telephone Rowton to set the time and

3.

place of the meeting. He informed Rowton that he himself could be contacted on 48 22 66, a telephone that was located near his studio in the Colonia Florida. He asked Rowton to obtain as soon as possible the measurements of the proposed mural and x photographs of of the owner so that he could make a sample painting.

<p>1. "Sergio <u>FERRIS</u>", described therein as the Chief of the Salvadoran Delegation, was identified from his photo by the JMWAVE and JMWAVE-2 as Jorge ARIAS Gomez, a member of the Central Committee of the FREN. According to JMWAVE-2, ARIAS is probably the #1 man in the FREN hierarchy - behind Don CARMELUCCIO Figueroa, Jorge Rafael MORALES, and Salvador Cayetano ALVARO. It is rather strange that the FREN sent ARIAS on this mission, known as COMINT. JMWAVE-2 and JMWAVE-2 reported that, while in Cuba in 1961-62, ARIAS had an affair with a girl that resulted in her pregnancy, and the Cubans sent a strong complaint to the FREN concerning his conduct.</p> <p>3. A LIVACATE main intercept (WH-20291) indicated that ARIAS was expected in Moscow in January. He apparently has not yet returned to El Salvador, and thus he may also be representing the FREN at the 23rd CPUSOR Congress. EMERGENCY/URGENT/EXCELLENCE/Dr. Armando SOTO Rodriguez - Report of Cuban Guerrilla Activities near Tehuacan, Mexico

Action Required: See paragraphs 3 and 4

1. Attached is a copy of an unclassified employment letter to EMERX from Dr. Armando SOTO Rodriguez, self-designated as an ex-military physician. The letter bears the return address 2 ruevas 511, Villahermosa, Tabasco, Mexico and a Villahermosa postmark dated 21 (7) February 1966. In the letter, which was written in fairly good English, SOTO said among other things that the Cuban Committee in Mexico has established a group of Cubans in Pachuca, Mexico, where the Sotomayor Dam is being finished, who are training Mexicans in guerrilla tactics.

2. Headquarters has no traces identifiable with Armando SOTO Rodriguez or Rodriguez's address mentioned in the letter. The National Geographic map of Mexico and Central America dated 1953, 1:250,000 scale, shows the town of Tehuacan, Mexico, on the Toluca River about fifty miles from the Guatemalan border.

3. Headquarters has information leading to possible information on Cuban guerrilla activity in Tehuacan, Mexico. Since a sensitive source (LIMEX) did report occasional interest by the Cuban Committee in the Tabasco area, and since this area prohibited by nature does lend itself to cross-border activities, it would be appreciated if Mexico City Station would endeavor to check out this report. LIMEX-1 especially might be able to furnish some information in this connection. A former Mexico base stationer at Headquarters recalls the Ventura "El Tigre" MORA, a wealthy Mexican capitalist, has extensive holdings comprising several haciendas, about 25 miles from Tehuacan, and might be knowledgeable of activities in the area. Access to MORA would probably be gained through LIMEX-1 and Enrique FERRERA who services LIMEX-1's and MORA's airplanes in Mexico. MORA has previously requested permission to visit his ranch at Laguna and might do so again if suitably approached. It is recalled that Lawrence F. MORA has traveled or planned travel over the general area. Enrique MORA could set up a trap in this area. Another possibility for background and checks might be through LIMEX-1 who has recently been heard to say that he is visiting the location of Tehuacan recently. (This was overheard from an intercepted Mex radio conversation). Three maps of the area are attached as of possible assistance.
