An armed mob has attacked the US consulate in the Libyan city of  
Benghazi and set fire to the building, witnesses reported, in  
what they said was a protest at a film they said offended Islam.

A little earlier, Libya's deputy interior minister Wanis  
al-Shari, told AFP the crowd had attacked the building and that  
information was confirmed by the US embassy in the capital  
Tripoli.

# Libyans angry over film set fire to US consulate

Tuesday - 9/11/2012, 5:15pm ET

Protesters destroy an American flag pulled down from the U.S. embassy in Cairo, Egypt, Tuesday, Sept. 11, 2012. Egyptian protesters, largely ultra conservative Islamists, have climbed the walls of the U.S. embassy in Cairo, went into the courtyard and brought down the flag, replacing it with a black flag with Islamic inscription, in protest of a film deemed offensive of Islam. TRIPOLI, Libya (AP) - A Libyan Interior Ministry official says armed men have stormed the US consulate in east Libya's Benghazi and set it ablaze after a protest against a video deemed insulting to Islam's prophet, Muhammad, which was reportedly produced in America.

Witnesses say Tuesday's attack left much of the consulate burned. It came hours after ultraconservative Islamist demonstrators in Egypt climbed the walls of the U.S. Embassy in Cairo to protest the film.

Wanis al-Sharif, an interior ministry official in Benghazi, says the attackers stormed the consulate after firing in the air. He says nobody was in the consulate at the time.

I'd like to kick his ass actually. Not sure if you've seen the video, but it's absolutely vulgar. I'm not sure I can do cordial. We'll see. 18

Sir,

GEN Allen talked to him twice, I believe. He told me that the discussion was cordial, but the man was not the least persuaded by the danger that he posed to our troops. Jones stated that we are paid as Soldiers to take these risks.

I pray that you can influence his actions. VR, Scap

Good. Thanks, Scap.

As a "side note" I'm trying to connect in a phone call with the Reverend Terry Jones. If he doesn't pull that video, the next few days are going to be extraordinarily difficult.

Sir,

I've talked to Kurt Tidd and to Joe Leidig at AFRICOM -- they are working the movement of forces and determining the appropriate ISB.

We have Kurt and Mike Negata and crew in support of DDO to develop situation and take appropriate action.
