He was on scene at a County Fair 4 miles North of Pontiac, Illinois and received several complaints about a UAS flying overhead the people. While on scene the UAS crashed near some horses and spooked the horses. This did not involve any aircraft or near any towered airport. I contacted the DEN and they put me in contact with the UAS person on duty. He suggested the Sheriff contact FSDO with the information and determine if it was operating commercial or as a hobbyist. LEO stated they were proceeding with an incident report. LEO said the UAS owner was operating as a hobbyist. I contacted the ROC and Safety Assurance. ROC gave me contact numbers for FSDO and Law Enforcement to relay to LEO to contact. Safety Assurance said to complete a MOR as public inquiry. All information was relayed to LEO.</p>	PONTIAC	Illinois
