## FBI FOIPA Addendum

As referenced in our letter, the FBI FOIPA Addendum includes information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. If you submitted a request regarding yourself or another person, Part 2 includes additional standard responses that apply to requests for individuals. If you have questions regarding the standard responses in Parts 1 or 2, visit the [www.fbi.gov/foia](http://www.fbi.gov/foia) website under "Contact Us." Previously mentioned appeal and dispute resolution services are also available. Part 3 includes general information about FBI records that you may find useful.

### Part 1: Standard Responses to All Requests: See Below for all Requests

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the Freedom of Information Act (FOIA). See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). FBI responses are limited to those records subject to the requirements of the FOIA. Additional information about the FBI and the FOIPA can be found on the [fbi.gov](http://fbi.gov) website.
- (ii) **National Security/Intelligence Records.** The FBI can neither confirm nor deny the existence of national security and foreign intelligence records pursuant to FOIA exemptions (b)(1) and (b)(3) and PA exemption (j)(2) as applicable to requests for records about individuals [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2); 50 U.S.C § 3024(i)(1)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3); 50 USC § 3024(i)(1). This is a standard response and should not be read to indicate that national security or foreign intelligence records do or do not exist.

### Part 2: Standard Responses to Requests for Individuals: See Below for all Requests for Individuals

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E) and (b)(7)(F) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

### Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching those systems or locations where responsive records would reasonably be found. Most requests are satisfied by searching the Central Record System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled and maintained by the FBI in the course of fulfilling its dual law enforcement and intelligence mission as well as the performance of agency administrative and personnel functions. The CRS spans the entire FBI organization and encompasses the records of FBI Headquarters ("FBIHQ"), FBI Field Offices, and FBI Legal Attaché Offices ("Legats") worldwide. A CRS search includes Electronic Surveillance (ELSUR) records.
- (ii) **FBI Records**  
Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or "Rap Sheets."** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks –often referred to as a criminal history record or "rap sheets." These criminal history records are not the same as material in an investigative "FBI file." An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at [www.fbi.gov/about-us/cjis/identity-history-summary-checks](http://www.fbi.gov/about-us/cjis/identity-history-summary-checks). Additionally, requests can be submitted electronically at [www.edo.cjis.gov](http://www.edo.cjis.gov). For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **The National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private citizens cannot request a name check.
