Subject: CIGIE Freedom of Information Act Request [6330-2020-18]

Dear Mr. Greenwald:

This is a response to your Freedom of Information Act (FOIA) request, dated February 10, 2020, to the Council of the Inspectors General on Integrity and Efficiency (CIGIE). This request was assigned FOIA case number 6330-2020-18.

In your own words, you have requested the following: 1) *FOIA Case Log for calendar years 2013-2019 (if your agency operates off a fiscal year, that is also ok)*, 2) *FOIA Appeals Log for calendar years 2013-2019 (if your agency operates off a fiscal year, that is also ok)*, 3) *Mandatory Declassification Review (MDR) Log for calendar years 2013-2019 (if your agency operates off a fiscal year, that is also ok)*.

After conducting a search for responsive records, we have located the FOIA case logs for fiscal years 2013, 2014, 2015, 2016, 2017, 2018, and 2019. As for MDR logs, we have determined that CIGIE has no such records.

Also included herein is a separate explanation of the FOIA redaction codes, which will assist in understanding the applicable redactions made to the responsive records.

If you have any questions, you may contact our FOIA Public Liaison, Deborah Waller, Supervisory Government Information Specialist, at (202) 616-1210 or FOIASTAFF@cigie.gov. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows:

March 9, 2020
FOIA Case No. 6330-2020-18

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

A requester may appeal a determination denying a FOIA request in any respect to the CIGIE Chairperson c/o Office of General Counsel, Council of the Inspectors General on Integrity and Efficiency, 1717 H Street NW, Suite 825, Washington, DC 20006. The appeal must be in writing, and must be submitted either by:

- (1) Regular mail sent to the address listed in this subsection, above; or
- (2) By fax sent to the FOIA Officer at (202) 254-0162; or
- (3) By email to FOIAAPPEAL@cigie.gov..

Your appeal must be received within 90 days of the date of this letter. The outside of the envelope should be clearly marked "FOIA APPEAL."

Sincerely,

Alan F. Boehm
Executive Director

Enclosures: as stated

FOIA EXEMPTIONS

Exemption 2 (5 U.S.C. § 552(b)(2)): permits agencies to withhold documents which relate “solely to the internal personnel rules and practices of an agency.”

Exemption 3 (5 U.S.C. § 552(b)(3)): incorporates the disclosure prohibitions that are contained in various other federal statutes. Broadly phrased so as to simply cover information “specifically exempted from disclosure by statute.”

Exemption 4 (5 U.S.C. § 552(b)(4)): allows Federal agencies the discretion to withhold “... trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential...” the release of which could be competitively harmful to the submitter of the information; which could impair the government’s ability to obtain similar necessary information in a purely voluntary manner in the future; and, which could affect other governmental interests, such as program effectiveness and compliance.

Exemption 5 (5 U.S.C. § 552(b)(5)): allows the agency the discretion to withhold “...inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency.” The purpose of this exemption is to protect the deliberative process by encouraging a frank exchange of views. In addition, this exemption protects from disclosure attorney-work product and attorney-client materials.

Exemption 6 (5 U.S.C. § 552(b)(6)): allows Federal agencies the discretion to withhold information the disclosure of which would “...constitute a clearly unwarranted invasion...” of individual privacy and might adversely affect the individual and his/her family.

Exemption 7 (5 U.S.C. § 552(b)(7)): protects from disclosure “records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information

(A) could reasonably be expected to interfere with enforcement proceedings,

(B) would deprive a person of a right to a fair trial or an impartial adjudication,

(C) could reasonably be expected to constitute an unwarranted invasion of personal privacy,

(D) could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source, would disclose techniques and procedures for law enforcement investigations or prosecutions, or

(E) would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law, or

(F) could reasonably be expected to endanger the life or physical safety of any individual.”

Exemption 8 (5 U.S.C. § 552(b)(8)): protects matters that are “contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions.”

Exemption 9 (5 U.S.C. § 552(b)(9)): covers geological and geophysical information and data, including maps, concerning wells.
