

## FEDERAL BUREAU OF INVESTIGATION

Date of entry 12/01/2014

Michael Tomaselli, DOB \_\_\_\_\_ residing at \_\_\_\_\_  
\_\_\_\_\_ was interviewed telephonically. After being advised of the identity of the interviewing agent and the nature of the interview, Tomaselli provided the following information.

Tomaselli is currently the 10PM Producer at FOX40 News. In the fall of 2010, he was a Morning Show Producer. He was hired at the station in May 2010.

It was Matthew Keys who gave Tomaselli his username to access the Content Management Server (CMS). The username was mtomaselli. Matthew Keys was the primary person who posted stories using the CMS.

While Tomaselli did not recall the exact date Keys gave him his username, it was definitely possible that it was not until August 11, 2010 since posting stories was not his primarily responsibility. Tomaselli did this once a week at most.

Regarding the Rewards Program, Tomaselli is aware that the advertising program is still in use and gifts to loyal customers who are part of the program still go out.
