MEMORANDUM FOR ALL POTENTIAL OFFERORS

FROM: 653 ELSG/PK
5 Eglin Street, Building 1624
Hanscom AFB, MA 01731-2100

SUBJECT: FA8726-07-R-0018, Request for Proposal (RFP) for Minimum Essential Emergency Communications Network (MEECN) Program (MMP) Upgrade System Development and Demonstration (SDD) Phase and Optional Production

1. We are pleased to release the Request for Proposal (RFP) for the Minimum Essential Emergency Communications Network (MEECN) Program (MMP) Upgrade acquisition, System Development and Demonstration (SDD) Phase with Optional Production. The RFP is available for download from the Hanscom Electronic Bulletin Board (HERBB) website at <http://www.herbb.af.mil> and via the Federal Business Opportunities website at <http://www.fedbizopps.gov>. Additionally, we have established an MMP Upgrade RFP Library on the HERBB website. Section L of the RFP contains instructions for obtaining access to the library.

2. The Government's objective is to procure this effort using a "Best Value" approach as defined in Section M of the RFP. When preparing your proposal, please note that the Government plans to award one contract, but reserves the right to award no contract depending upon the quality and quantity of the proposal(s) submitted and the availability of funds.

3. The subject RFP contains the following exhibits and attachments:

Exhibit A-----Contractor Data Requirements List (CDRL), DD Form 1423

Exhibit B----- Labor Hour Rates

Attachment 1-- Statement of Work (SOW)

Attachment 2-- Contract Security Classification Specification, DD Form 254

Attachment 3-- Security Classification Guide

Attachment 4-- Technical Requirement Document (TRD)

Attachment 5-- Award Fee Plan

Attachment 6-- Government Furnished Property (GFP) Listing

Attachment 7-- Instructions for Proposal Preparation (Section L)

Attachment 8-- Work Breakdown Structure (WBS)

Attachment 9-- Evaluation Factors for Award (Section M)

Attachment 10-- Site Installation Schedule and Locations

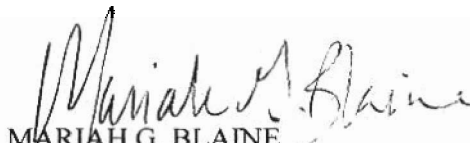

Attachment 11-- Technical Data and Software Furnished with Less Than Government Purpose Rights

Attachment 12-- B-Tables

Attachment 13-- Cost Formats

4. In accordance with the Proposal Organization table in Section L-2.1.6, Volume V – Relevant Past and Present Performance is due not later than (NLT) 4:00 p.m. Eastern Time on 6 July 07. The remainder of the proposal is due NLT 4:00 p.m. Eastern Time on 20 July 07.

5. All questions regarding this solicitation or this acquisition are to be directed to the Contracting Officer, Ms Mariah G. Blaine, 781-377-0791, and the Contract Specialist, Mr. Patrick Jackson, 781-377-3848.

MARIAH G. BLAINE
Contracting Officer
653d Electronic Systems Group
