10/7/2016	CBP-IA-2017-001241	(b)(6)	The first thing requested was a copy of the "Dashboard". The second thing requested were "results"; by this i want the poly graph results that it came up as failed. Also the backround investigation results, but i dont think that process was ever completed due to me failing the polygraph before it was done.	10/7/2016

11/29/2016	CBP-IA-2017-012950	Elliot Spagat	Pursuant to the federal Freedom of Information Act, 5 U.S.C. §552 and in my capacity as a full-time journalist for The Associated Press, I request copies of documents related to results of polygraph exams administered to job applicants at U.S. Customs Border Protection, which may exclude any personal identifying information to protect privacy. Responsive documents should include, but not be limited to, the following sources: Annual figures, beginning in the 2012 fiscal year and ending with the most recent fiscal year from the date of your response, for the total number of tests conducted for CBP job applicants, how many failed, how many passed, and how many were inconclusive. If the sum of failed, passed and inconclusive is less than the total administered, provide figures for any additional categories of results to match the total. Please note that CBP has provided these figures for earlier periods to the Government Accountability Office for a publicly available report (GAO-13-59, Table 6); see attached. I request that responsive records be released on a rolling basis _ that is, in batches as they are available, rather than all at once and only once all records have been reviewed for release. Though you are required by law to respond within 20 business days from the date your agency receives this request, as this is a matter of pressing public interest and importance, I ask that you expedite this request. If for any reason any portion of this request is denied, please provide written notice of the records that were withheld, and the specific legal justification for the denial.
