Dear Mr. Greenwald:

This letter is in response to your Freedom of Information Act (FOIA) request of June 19, 2009, requesting a copy of the FOIA case log for the calendar year of 2008.

Enclosed is the document you requested. CDC has not withheld any pages in their entirety.

Certain portions of confidential commercial/financial information, disclosure of which would cause the submitter substantial competitive harm, were deleted. These deletions were made under the provisions of 5 U.S.C. 552(b)(4) of the Act and 45 CFR 5.65 of the Department's implementing regulations.

Under authority of the Freedom of Information Act at 5 U.S.C. 552(b)(6) and the Department's implementing regulation at 45 CFR 5.67, names and other information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, were deleted from these documents.

You have the right to appeal this decision to deny you full access to agency records. Send your appeal, within 30 days from the date you receive this letter, to the Deputy Assistant Secretary for Public Affairs (Media), U.S. Department of Health and Human Services, Room 17-66, 5600 Fishers Lane, Rockville, Maryland 20857. Please mark both your appeal letter and envelope "FOIA Appeal."
