Massey Disaster Not Just Tragic, but Criminal

Massey Energy runs the Upper Big Branch (UBB) mine in Montcoal, W.Va., where 29 miners were killed last week. The loss of life is tragic, but the UBB explosion is more than tragic; it is criminal.

- **Collateral Murder in Iraq**

A United States military video was released this week showing the indiscriminate targeting and killing of civilians in Baghdad. The nonprofit news organization WikiLeaks obtained the video and made it available on the Internet. The video was made July 12, 2007, by a U.S. military Apache helicopter gunship, and includes audio of military radio transmissions.

- **The Obscenity of War**

President Barack Obama has just returned from his first trip as commander in chief to Afghanistan. The U.S.-led invasion and occupation of that country are now in their ninth year, amid increasing comparisons to Vietnam.
