SUBJECT: Visit with Isbell

1. H. Isbell here this morning. Spent some 4 hours with him. He attached interesting report (sp. Fluorocarbon)
2. Said that since he is carrying no chlorine ^H atoms, now he is ready for another "new compound" (like 3-116)
3. Told that we didn't all much want to cut money for competitive bids, in view of the data on the part
4. Told that we have no objection to his publishing the

A-1514

Telephone to ... LSD.

Told that we would try to get ... to
check his chlorpromazine data.

Asked what our interest in LSD combinations was.
referred to him results of our last discussion about

- 2: LSD - C₉THC
- " - Scopolamine
- " - Cocaine (or cocaine-like material)
- " - Antihistamine (a la Luddens's paper)

Propose - He would try to get a rep that would
use charts through normal channels to check his results
data

We would contact you in 4 weeks when he gets back
