MEMO FOR: - DD/IOS

Essentially, most of the elements are here - just a matter of arrangement and emphasis.

OBJECTIVES - (in order of priority)

1. Surveillance capability.
2. Penetration of Agency projects, installations, et al - i. e., counterintelligence (Agency oriented)
3. Coverage of riots, demonstrations and so forth as a peripheral by-product.

We should not mention penetration of dissident groups - strictly FBI purview. This will not preclude casual attendance at meetings, etc.

You and I know what we want - amend along these lines.
