MEMORANDUM FOR: Headquarters

SUBJECT

: PROJECT RESISTANCE #533 989 ISD/1

• The following estimate of possible future activities of Black Nationalist and Subversive organizations was obtained from local intelligence sources:

1. Local sources feel that there will be major incidents by Black Nationalist organizations in Los Angeles and New York during the Republican National Convention. Informant believes that major incidents at this time would cause Ronald REAGAN and Nelson ROCKEFELLER to return to their respective states thus leaving the Convention open to Richard NIXON. At a later time the subversives could start a cry that the people did not have a choice in choosing a candidate. Local sources also feel that there will be a major incident in Chicago during the Democratic National Convention with the aim of putting Eugene McCARTHY on the Democratic Presidential ticket.

2. Local sources advise that they are preparing for large scale campus disorders between September and the national elections. Informants feel that large scale student disorders will occur continuing the dissension in this country.

3. Local sources advise that the two major areas of Black Nationalist agitation in Southern California are Long Beach and Pomona. Informants state that they are expecting trouble in these areas. There have been nightly incidents of fire bombings and beatings in these two areas during the past several weeks. The Press is cooperating with local law enforcement in that they are not printing articles concerning these disturbances.
