MEMORANDUM FOR: Special Agent in Charge
All Field Offices

SUBJECT : Project RESISTANCE
#533 989 I-SB

1. Recent events dictate the advisability of issuing certain limiting instructions concerning the methods used and degree of effort expended in collecting information in connection with subject case and Operational Support for Recruitment.

2. Effective immediately, and until further notice, all field offices should observe the following guidelines:

No attempts should be made to recruit new informants or sources such as campus or police officials for the express purpose of obtaining information regarding dissident groups, individuals or activities.

No new requests for such information should be levied on existing informants or sources.

3. The above limitations do not preclude acceptance of information gratuitously offered by informants or sources, and field personnel should continue to be on the alert for non-solicited information which might contribute to the protection of Agency personnel, projects and installations.

4. Field personnel should continue to collect newspapers, periodicals, flyers, etc. from overt and non-attributable sources in support of Project RESISTANCE.

5. It is requested that the above information be disseminated promptly to all agents, including Resident Agents.
