Council of the
INSPECTORS GENERAL
on INTEGRITY and EFFICIENCY

JAN 16 2014

Mr. John Greenewald, Jr.
[REDACTED]

Subject: Log No. 6330-2013-18

Dear Mr. Greenewald:

This letter responds to your Freedom of Information Act (FOIA) request, dated March 16, 2013, to the Council of the Inspectors General on Integrity and Efficiency (CIGIE). You requested a copy of CIGIE's FOIA logs for 2008 through 2013.

We have enclosed nine pages of responsive records pertaining to FOIA logs for FY 2011 through FY 2013. Pursuant to FOIA, certain information has been withheld as it is exempt from release. In accordance with 5 U.S.C. § 552(b)(6) and (b)(7)(C), the names, signatures, initials, and other identifying information of individuals were withheld because release of this information could reasonably be expected to constitute an unwarranted invasion of personal privacy.

With respect to FOIA logs for 2008 through 2010, we conducted a search of CIGIE records based upon the information provided and found no records that are responsive to your request. CIGIE was established in 2008, and did not receive any FOIA requests in 2008 or 2009. In FY 2010, CIGIE received and processed two FOIA requests. Accordingly, CIGIE did not create FOIA logs for 2008, FY 2009, or FY 2010.¹

We have enclosed a brief explanation of FOIA exemptions.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

¹ FOIA is a statute that applies to existing Federal records only. Therefore, the statute does not require agencies to create records when responding to FOIA requests.

Mr. Mr. Greenewald

You have the right to appeal CIGIE's response by writing to the Council of the Inspectors General on Integrity and Efficiency, 1717 H Street NW., Suite 825, Washington, D.C. 20006-3900. Your appeal must be received within 45 days of the date of this letter. The outside of the envelope should be clearly marked "FOIA APPEAL."

Sincerely,

A handwritten signature in black ink, appearing to read "Mark D. Jones", with a long, sweeping horizontal line extending to the right.

FOIA EXEMPTIONS

Exemption 2 (5 U.S.C. § 552(b)(2)): permits agencies to withhold documents which relate “solely to the internal personnel rules and practices of an agency.”

Exemption 3 (5 U.S.C. § 552(b)(3)): incorporates the disclosure prohibitions that are contained in various other federal statutes. Broadly phrased so as to simply cover information “specifically exempted from disclosure by statute.”

Exemption 4 (5 U.S.C. § 552(b)(4)): allows Federal agencies the discretion to withhold “... trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential...” the release of which could be competitively harmful to the submitter of the information; which could impair the government’s ability to obtain similar necessary information in a purely voluntary manner in the future; and, which could affect other governmental interests, such as program effectiveness and compliance.

Exemption 5 (5 U.S.C. § 552(b)(5)): allows the agency the discretion to withhold “...inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency.” The purpose of this exemption is to protect the deliberative process by encouraging a frank exchange of views. In addition, this exemption protects from disclosure attorney-work product and attorney-client materials.

Exemption 6 (5 U.S.C. § 552(b)(6)): allows Federal agencies the discretion to withhold information the disclosure of which would “...constitute a clearly unwarranted invasion...” of individual privacy and might adversely affect the individual and his/her family.

Exemption 7 (5 U.S.C. § 552(b)(7)): protects from disclosure “records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information

(A) could reasonably be expected to interfere with enforcement proceedings,
(B) would deprive a person of a right to a fair trial or an impartial adjudication,
(C) could reasonably be expected to constitute an unwarranted invasion of personal privacy,
(D) could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source, would disclose techniques and procedures for law enforcement investigations or prosecutions, or

(E) would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law, or

(F) could reasonably be expected to endanger the life or physical safety of any individual.”

Exemption 8 (5 U.S.C. § 552(b)(8)): protects matters that are “contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions.”

Exemption 9 (5 U.S.C. § 552(b)(9)): covers geological and geophysical information and data, including maps, concerning wells.

PRIVACY ACT EXEMPTIONS

Exemption (b) (5 U.S.C. § 552a(b)): applies to information concerning other individuals which may not be released without their consent.

Exemption (d)(5) (5 U.S.C. § 552a(d)(5)): protects information compiled in reasonable anticipation of a civil action or proceeding.

Exemption (j)(2) (5 U.S.C. § 552a(j)(2)): permits law enforcement agencies to withhold information compiled for the purpose of a criminal investigation, including reports of informants and investigators, which are associated with an identifiable individual.

Exemption (k)(2) (5 U.S.C. § 552a(k)(2)): permits agencies to withhold investigatory material compiled for law enforcement purposes, other than material within the scope of Exemption (j)(2).

Exemption (k)(5) (5 U.S.C. § 552a(k)(5)): applies to investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, or access to classified information, release of which would disclose a confidential source.
