INSTRUCTIONS																																																																																	
<p>GENERAL:</p> <p>DD Form 1266 "Request for Special Hauling Permit" will be used to obtain special hauling permits for the movement of oversize / overweight vehicles over public highways when accompanying a convoy or when traveling separately.</p> <p>This form, in duplicate and accompanied by letter of transmittal, will be forwarded through the local transportation officer so as to reach the appropriate headquarters not less than ten (10) working days prior to the starting date of the movement. Letters of transmittal will contain complete itinerary and explanation of the movement. One (1) letter of transmittal is sufficient when several DD Forms 1265 and 1266 involving one (1) movement are forwarded to the appropriate headquarters.</p> <p>In cases where bona-fide emergencies exist, the information contained in this form and DD Form 1265 may be transmitted to the appropriate headquarters by telephone or electric transmission. In this event, reference will be made</p>					<p>to item numbers in the sequence in which they appear on the forms. Items which do not apply will be so indicated</p> <p>SPECIFIC:</p> <p>Item 9A, B, C, and D - Complete nomenclature of vehicles involved. More than one unit may be included, provided units are identical in equipment, load characteristics, routing and movement date. Total number of units shall be indicated prominently.</p> <p>Item 9E - Note all units other than standard highway vehicles; road equipment, guns, etc.</p> <p>Item 9 (d) - Indicate the registration number for each unit or combination of units. Use additional page if required.</p> <p>Item 14 - Indicate appropriate number of axles by inserting number in proper circles. Block out circles not applicable.</p> <p>Item 21 - For movement through the District of Columbia, include name of manufacturer of equipment.</p>
