SUBJECT: GORDON GRAY -AR-10

DATE: May 5, 1948

Reference enclosed report of SA CARMON J. STUART dated May 5, 1948 at Charlotte, North Carolina.

Special Agent STUART advises me that in accordance with the Bureau's instructions, he has limited this investigation to interviews with four persons, two of whom are listed as references. Agent STUART advises me that he is personally acquainted with all persons interviewed except Mr. WILLIAMS, having contacted them on other matters. He has been in very close contact with Mr. DUDLEY and Mr. WHITAKER on Communist investigations and has explained to all persons interviewed the necessity for the investigation plus the fact that the investigation does not imply in any way that the Bureau considers Mr. GRAY in the slightest degree questionable on any point. He tells me that he feels these gentlemen understand and appreciate the Bureau's position.

With respect to the persons interviewed, all are leading, highly respected citizens and all are very wealthy with the possible exception of Mr. DUDLEY. Mr. GRAY himself, is reputed to have inherited two and one-half million dollars from his father, the late Mr. BOWMAN GRAY, whose estate was said to have been in excess of sixteen million dollars. The GRAY family is well known for its philanthropy. This family is one closely associated with the Methodist Church, among whose younger members there has never been any scandal or public gossip with respect to their conduct.

Former Special Agent CHESTER DAVIS works for Mr. GORDON GRAY. Through association with him and other reporters, Agent STUART has the impression that all his subordinates respect him highly, not because he is a rich man, but because he is a man of integrity.

It is to be noted in the report of Special Agent EDWIN C. McCUE, Savannah, dated February 2, 1947, entitled, CP-USA, District 29, Savannah Field Division, that the name of GORDON GRAY appears on the "Daily Worker" subscription list. The information contained on page 5 in this report reflects he received the subscription in care of Piedmont Publications, Winston-Salem, North Carolina, July 30, 1947 -MS. It is further noted that in the investigation set forth in the enclosed report that there were no

Mr. JOHN WHITAKER, Vice President of the R. J. Reynolds Tobacco Company, advised that he has known Mr. GRAY since childhood and has been intimately acquainted through social and business relationships with the GRAY family. He has followed Mr. GRAY's life beginning in the public schools of the city through the Yale Law School and has been informed that he was at or near the top of his class in each school. He furnished the following additional information. After Mr. GRAY returned to Winston-Salem, a group of local citizens became interested in buying the local newspapers. They were bought by these people including Mr. GRAY and his mother, and the Piedmont Publishing Company was organized with Mr. GRAY as its head. Since about 1937, he has been the active head of this company which publishes the Winston-Salem Journal, The Twin City Sentinel and the Journal and Sentinel (Sunday edition), and operates a radio station (WSJS). He has also served in the North Carolina Legislature as a State Senator. Mr. WHITAKER emphasized as a mark of Mr. GRAY's character, that in his public service and business conduct, Mr. GRAY has been motivated by a sincere desire to serve all the people of his community, state and country and that he never has been a spokesman for

the R. J. Reynolds Tobacco Company or for industry. He knows Mr. GRAY well, and advises that his personal life is clean, his character, associations and loyalty are above reproach. On the question of loyalty, Mr. WHITAKER said there simply is no basis whatever for even the slightest suspicion. On this point, he commented that Mr. GRAY could have had a choice of commissions as an officer during the last war, but that he conscientiously elected to volunteer as a private. During his preliminary training, Mr. GRAY tried so hard to qualify that he injured himself during some of the exercises. Mr. WHITAKER concluded that Mr. GRAY is one of the finest men in Winston-Salem.

Mr. ROBERT M. HANES, President, Wachovia Bank and Trust Company, stated that he has known Mr. GRAY from childhood and that he personally admires him very much. With respect to character and integrity, Mr. HANES said, "I would shut my eyes and trust him" in any situation. His patriotism and personal reputation were unquestionable in every way. Mr. HANES made the additional comment, that Mr. GRAY had inherited considerable wealth and could have lived the rest of his life without ever working but that he has been one of the hardest working men in Winston Salem. He pointed out that Mr. GRAY has devoted himself wholeheartedly to the service of his community and to his state through his newspaper and radio station and summarized by saying that he just could not say anything except the very best about Mr. GRAY.

Mr. S. CLAY WILLIAMS, Chairman, Executive Committee, R. J. Reynolds Tobacco Company, advised that he was employed in an executive capacity by the late R. J. REYNOLDS in 1917 and has known Mr. GRAY since that year, having lived across the street from the GRAY home and having been closely associated with his father, the late Mr. BOWMAN GRAY, one time president and chairman of the board of the Reynolds Company. He has seen Mr. GRAY grow up from childhood and followed his personal and educational life. He advised that Mr. GRAY has always been an able, hard-working, sincere and honorable man in every way. For example, he was at or near the head of his class at the University of North Carolina and the Yale Law School according to Mr. WILLIAMS. His character, personal life, integrity and patriotism are beyond reproach in any way. He commented that Mr. GRAY is a young man who has earned the respect and confidence of older people because of his sincerity of purpose and personal achievements.

Mr. GUY R. DUDLEY, Vice President, First National Bank, advised that he has been well acquainted with Mr. GRAY for the past 14 years and he furnished the following information about him. Mr. GRAY has been one of the hardest working men in Winston Salem. His schedule of work has been six

days and 5 nights per week and spending one night and Sunday with his family. On the question of integrity, Mr. DUDLEY said that if Mr. GRAY, who is not in any way connected with the First National Bank, were to call him and say he had issued a check for \$50,000 on the First National Bank he would place the money to his credit and feel absolutely secure in the knowledge that Mr. GRAY would take care of the obligation. Mr. DUDLEY said he would not do that because Mr. GRAY is a rich man but because he has absolute confidence in his integrity. Mr. GRAY's personal character is absolutely beyond reproach according to Mr. DUDLEY, who has never heard even the slightest remark against his moral character, even with regard to any innocent social flirtation. He drinks very little and never to excess and at most could only be called an "occasional" drinker. Mr. GRAY is very civic minded and works hard on civic problems for the good of his city and state. In comparison, Mr. DUDLEY said that he works with the Community Chest, Chamber of Commerce and YMCA, as a contribution in services for what he cannot contribute financially. On the other hand, Mr. GRAY is liberal in his contributions but works even harder for these same community endeavors because he sincerely wants to build his city and community. With respect to his financial support of worthy causes, Mr. GRAY is the kind of man who prefers to remain in the background and support these efforts without any personal publicity. With respect to patriotism, Mr. DUDLEY said he would question himself before he would question Mr. GRAY. By way of illustration, he said that while he may tend to feel patriotic and do little about influences detrimental to the Government and welfare of the country, Mr. GRAY is the kind of man who feels intensely loyal and works hard for the cause of good citizenship. By way of illustration, Mr. DUDLEY related that early in the last war Mr. GRAY could easily have had a Major's commission in the Army's radio service by reason of the fact that he owns and operates a radio station and had had experience or he could have had a commission in the Judge Advocates Division by reason of his legal training but that he voluntarily and sincerely elected to enter the service and a private. He had flat feet and feared he would not be accepted, so he spent about six weeks at the YMCA working hard to condition himself for military service before he volunteered.

Mr. GRAY, according to Mr. DUDLEY, has three strong and very sincere loyalties, which are to his family, his church and to his country. With respect to his church, Mr. GRAY has been very active, loyal and sincere supporter. His great value in this respect has been not his personal gifts which are liberal, but his earnest work among about 2,000 members to promote the welfare of the church. For example, during a fund raising campaign, Mr. GRAY advanced the proposition that every member should support his church

Ce 116-3023

in accordance with his means. If a member could give only one cent per week, then he should give that much. If he could not give that much, then he should continue in the church, but that the church should help the member. Through the hard work of Mr. GRAY in evolving and carrying out sound church and community programs like this, Mr. GRAY has earned the whole hearted respect and esteem of the entire community. In summary, Mr. DUDLEY said that he considers Mr. GRAY to be the finest young man he knows.

The writer personally checked the name files of the Winston-Salem Police Department and found no record concerning Mr. GRAY.

Pursuant to the Director's request on this date for a summary on Gordon Gray, FBI files have been reviewed for information on Gray.

On February 1, 1957, a summary of information in FBI files was prepared concerning Gray and indicated that he was the subject of applicant-type investigations conducted by the Bureau during May, 1948 (for Atomic Energy Commission), and during January and February, 1953 (for the White House). Neither investigation developed derogatory information concerning him except for comments made by one Graham L. Davis who stated that Gray, through underhanded methods, had caused his dismissal as director of the Commission on Finance of Hospital Care Chicago, Illinois, in December, 1952. He characterized Gray as an avowed "left-winger," and defined this as "one who advocated a strong Federal Government which has complete authority over the country's economy."

The summary memorandum on Gray reflected that the Bureau has had most cordial relationship with Gray, who has spoken highly of the Director. In July, 1952, Gray, then president of the University of North Carolina, was made a Special Service Contact of our Charlotte Office. On 4-9-54, while at Washington, D. C., as a consultant with the Atomic Energy Commission, Gray advised a representative of the Bureau that he had had difficulty in receiving mail from Chapel Hill, North Carolina. He felt that his mail was being tampered with and inquired whether the Bureau was checking his mail. He was emphatically advised the Bureau was not. Concerning this the Director commented: "I don't like this attitude upon the part of Gray. Advise Charlotte Office to be most circumspect in all dealings with Gray. H." Bulet 4-13-54 so advised the Charlotte Office. Bulet 4-29-54 also instructed Charlotte to discontinue Gray as a Special Service Contact. Subsequent to this incident, the Bureau has had several cordial contacts with Gray. Specifically, on 8-18-55 he called the Bureau and requested a special tour for a friend, and also extended his regards to the Director. By letter 9-8-55 Gray invited the Director to speak before the United Fund Campaign at Winston-Salem, North Carolina, on 10-17-55. By letter

Gordon
By way of background, Gray was born 5-30-09 at Baltimore, Maryland. He received an A.B. degree from the University of North Carolina in 1930 and an LL.B. degree from Yale University in 1933. He has held a number of prominent positions with the Government. From September, 1947, to June, 1949, he was Assistant Secretary of the Army and was Secretary of the Army from June, 1949, to April, 1950. He was a Special Assistant to the President from April to October, 1950, following which he was elected president of the University of North Carolina. From July to December, 1951, he was director of the Government's Psychological Strategy Board, designed to devise means for countering communist propaganda. In April, 1954, he headed a three-man hearing board which recommended that atomic scientist J. Robert Oppenheimer be denied access to Government secrets as a security risk. In July, 1955, he was appointed Assistant Defense Secretary for International Security Affairs, to head the Defense Department's foreign military aid program, a position which he held as of February 1, 1957. In February, 1957, Gray was appointed Director, Office of Defense Mobilization, and effective July 21, 1958, he was designated Special Assistant to the President for National Security Affairs.

Since the summary was prepared on Gray in February, 1957, Gray has been generally cooperative with the FBI. However, it should be noted that on March 7, 1958, Gray attended a meeting of the National Security Council (NSC) Net Evaluation Subcommittee, at which time the Director was present. At this meeting Gray expressed himself as doubting that the Soviets would take a chance and attempt to introduce nuclear weapons clandestinely into the United States through the use of diplomatic immunity. The Director reminded Gray that the clandestine introduction problem had been carefully considered by the NSC. At a meeting of the NSC on September 18, 1958, attended by Mr. Belmont, there was discussion with reference to clandestine introduction of atomic weapons. At this time Gray stressed the fact that this is the only form of attack on the United States where we are wide open, in view of the ability of the Soviets to bring nuclear material into the country. The Director stated, regarding Gray: "He certainly has changed his thinking. Originally he considered such a possibility unrealistic. H."

Subject

We have received a request from William J. Hartigan at the White House for an investigation of Gordon Gray. Mr. Hartigan advises that Gray has recently been appointed a member of the President's Foreign Intelligence Advisory Board by the President.

From 1958 to January, 1961, Mr. Gray was Special Assistant to the President for National Security Affairs. Prior to that, Mr. Gray was Director of the Office of Defense Mobilization; Assistant Secretary of Defense; President of the University of North Carolina; Secretary of the Army; and Assistant Secretary of the Army.

We investigated Gray in 1948 for the Atomic Energy Commission, and in 1953, for the White House. Neither investigation developed derogatory information except one person who called Gray a "left winger." This person held animosity for Gray since Gray caused his dismissal from an employment in 1952.

Our relations with Gray have been very cordial for the most part. In 1954, while President of the University of North Carolina, Gray advised Bureau representative that he was having difficulty in receiving his mail and inquired whether the Bureau was checking his mail. He was emphatically advised the Bureau was not. The Director instructed, at that time, that we should be most circumspect in all dealings with Gray. Subsequently, we have had several cordial contacts with him.

ACTION

The case has been ordered to the field by teletype, deadline 6-2-61. The field has been instructed to conduct no neighborhood investigations due to Gray's prominence, unless some reason for doing so arises, at which time Bureau approval must be secured. The field has also been instructed to assign case to experienced agents.

Gray, former White House official during the Eisenhower Administration, has been appointed member of President's Foreign Intelligence Advisory Board, and in connection with this appointment he gave as a reference Commissioner John S. Graham, Atomic Energy Commission.

On 5/29/61, Mr. Graham furnished Liaison the following comments regarding Gray:

He has known Gray very well for about 50 years, since they were small boys in Winston-Salem, North Carolina. Their association has been very close and has included acquaintance with other members of Gray's immediate family. Gray was born in Baltimore, Maryland, but moved to Winston-Salem when very young. His father, uncle, and older brother all have held positions of President of R. J. Reynolds Tobacco Company at various times. Gray attended University of North Carolina and Yale Law School; practiced law for about three years in New York City; then operated three newspapers in Winston-Salem; entered military in World War II as an enlisted man and left as an officer; returned briefly to newspaper business; then served as Assistant Secretary and Secretary of Army; and then became President of University of North Carolina for several years. His first wife died while he was President of the University, leaving him with four sons. After his wife's death he returned to Washington and held Government positions as Director, Office of Defense Mobilization and Special Assistant to the President. Several years ago he married again, this time to a widow named [redacted] a 1947 graduate of Vassar, who had three daughters by her previous marriage. They appear to be very happily married.

b6
b7c

Graham said he now understands Gray is joining the President's Foreign Intelligence Advisory Board and there is no doubt in his (Graham's) mind but that Gray is an excellent selection for such a position. Graham described Gray as hardworking, conscientious, as all of his family are, a practicing religious man and church attendant, an altogether fine, honorable man, and as loyal a citizen as he has ever known. Graham added there never has been anything in the associations or conduct of Gray that have ever raised any doubt whatsoever.

DETAILS:

AT CHAPEL HILL, NORTH CAROLINA

EMPLOYMENT

On May 29, 1961, Mrs. BILLIE CURTIS, Secretary, Consolidated University of North Carolina, advised the Minute Book of the Trustees' Meetings of the University of North Carolina reflected Mr. GORDON GRAY was elected February 6, 1950, to become President of the Consolidated University of North Carolina. Mr. GRAY accepted this position with the understanding he would assume his duties September 23, 1950. He was inaugurated President at the three institutions composing the Consolidated University on October 8, 9, and 10, 1950. The minutes reflect that at a meeting June 10, 1955, Mr. GRAY's request for resignation was considered. The minutes reflected the trustees had been requested by Secretary of Defense CHARLES WILSON and Secretary of State JOHN FOSTER DULLES to release GRAY in order that he might serve with the Federal Government. At the time a motion was placed before the trustees that Mr. GRAY's request for resignation be denied and instead Mr. GRAY be granted a leave of absence. This motion passed but later this action was reversed and Mr. GRAY's resignation was accepted.

Mrs. CURTIS noted that Mr. GRAY had immediately taken a high level federal appointment upon his resignation from the University of North Carolina.

On May 29, 1961, Mr. WILLIAM FRIDAY, President, Consolidated University of North Carolina, stated he had been closely associated with Mr. GRAY as Assistant to the President when Mr. GRAY was President of the University. FRIDAY reiterated he considered Mr. GRAY to be one of the most completely equipped men to hold an administrative post he had ever known. Whatever Mr. GRAY undertook, he did with a complete selflessness and concentration that was undivided. Hours, health and diversions are of no consequence to him. He described Mr. GRAY as a thoroughly devoted public servant of the highest caliber.

FRIDAY noted that Mr. GRAY's first wife, JANE CRAIGE GRAY, had died in 1953. Mr. GRAY had not remarried until after leaving the University. FRIDAY stated Mr. GRAY had voluntarily resigned from the Presidency of the University of North Carolina as Mr. GRAY had been invited by the President of the United States to become Assistant to the President. Mr. GRAY had served as Assistant to President EISENHOWER until Mr. EISENHOWER left office. Since that time Mr. GRAY had taken a world cruise vacation. FRIDAY described Mr. GRAY as a loyal American who was thoroughly fitted for a position of trust in the Government.

On May 29, 1961, Mr. A. H. SHEPARD, Jr., Business Officer and Treasurer, Consolidated University of North Carolina, stated he had worked closely with Mr. GRAY while Mr. GRAY was President of the University.

SHEPARD described GRAY as an administrator of the highest order. GRAY was highly capable and possibly too industrious for the best interests of his personal health. He stated there was no question as to his character, conduct, loyalty or associations and his resignation was a great loss to the University.

On May 29, 1961, Mr. WILLIAM B. AYCOCK, Chancellor, University of North Carolina, advised he had been Acting Dean of the University of North Carolina Law School while Mr. GRAY was President of the Consolidated University. He stated he had absolutely no basis to consider Mr. GRAY as other than a citizen of the deepest loyalty to the Government. Mr. GRAY was a man of unusual administrative abilities and a dedicated public servant. The administrative re-organization of the university effected by Mr. GRAY had proven wise and effective. Mr. AYCOCK stated he felt Mr. GRAY left the position as President of the University because he felt his services could be more greatly utilized by the challenge of employment with the Federal Government.

On May 29, 1961, Dr. JAMES GODFREY, Dean of the Faculty, University of North Carolina, stated he had known Mr. GRAY only by reputation until Mr. GRAY became President of the Consolidated University of North Carolina. He stated Mr. GRAY was a thoroughly loyal American citizen of impeccable character and conduct whom he considered totally dependable under all circumstances. He described GRAY as extremely efficient, possessing tremendous self-discipline and orderly mind and a man aspiring to a fixed schedule. Personally, he said he found Mr. GRAY very reserved but possessing great tact and patience. GODFREY stated the university had been used to an easy, informal, approachable administration. If Mr. GRAY had had any fault whatever, it was that he seemed somewhat inaccessible and overly efficient.

CREDIT AND IDENTIFICATION

On May 29, 1961, Miss ANN RIGSBEE, Clerk, Merchants Association of Chapel Hill, advised her credit records reflected GORDON GRAY was a man of a substantial personal income who served as President of the Consolidated University of North Carolina while residing in Chapel Hill, North Carolina. He had a prompt credit record. She noted a newspaper clipping in her files dated June 26, 1956, which reported the marriage of GORDON GRAY to [REDACTED]. This article reflected Mr. GRAY was the son of BOWMAN GRAY, former President of the R. J. Reynolds Tobacco Company in Winston-Salem, North Carolina. His first wife, JANE CRAIG GRAY, died in 1953. His second wife was reflected as the widow of [REDACTED] who died in China in 1952.

CE 161-89

On May 29, 1961, Mr. B. J. HOWARD, Clerk of Recorder's Court for Chapel Hill, North Carolina, advised he was unable to locate any record for GRAY in his court records.

The following investigation was conducted by SA [REDACTED]

AT WINSTON-SALEM, NORTH CAROLINA:

SOCIAL ACQUAINTANCE

On May 30, 1961, Mr. CARLYLE A. BETHEL, Senior Vice-President and Trust Officer, Wachovia Bank and Trust Company, advised that he has known Mr. GORDON GRAY since 1932. He advised that during this long period of association and acquaintanceship with Mr. GRAY, he had always regarded the latter as an outstanding lawyer, scholar, and statesman in North Carolina. Mr. BETHEL advised that during Mr. GRAY's latter years, he would describe him as an "outstanding American citizen". He advised that he would very definitely recommend Mr. GRAY for a position with the United States Government "without any qualification whatsoever".

Mr. BETHEL advised that he would reiterate information previously furnished regarding Mr. GRAY concerning his character, integrity, and patriotism in that he regards Mr. GRAY to be a person of reputable character, integrity, and loyalty. He stated that he has never had any reason to question Mr. GRAY's associations or reputation. Mr. BETHEL recalled a comment that he had previously made that the "problem" is not whether Mr. GRAY is qualified in all respects to do important work for the Government but whether he is available to the Government to accept assignments over and above the busy responsibilities that he now carries as a public servant.

Mr. BETHEL advised that GORDON GRAY is one of the "finest human beings that it has ever been his privilege to know".

Mr. BETHEL stated that Mr. GORDON GRAY has not "lived" in Winston-Salem, North Carolina, for approximately 13 years and only returns to Winston-Salem for occasional visits. He stated that Mr. GRAY's brother, Mr. BOWMAN GRAY, is Chairman of the Board of Directors of the R. J. Reynolds Tobacco Company in Winston-Salem, North Carolina. He further noted that the only other immediate relative of Mr. GORDON GRAY now residing in Winston-Salem, is his mother, Mrs. NATHALIE BERNARD. Mr. BETHEL stated that BOWMAN GRAY resides on Medowlark Drive, and Mrs. BERNARD resides at Graylin, Winston-Salem, North Carolina.

Mr. BETHEL stated that the aforementioned relatives of Mr. GRAY, in addition to all of his immediate family, maintain an excellent reputation in the community as well as in the whole State of North Carolina.

CREDIT AND IDENTIFICATION

On May 30, 1961, Mrs. ABALEE FETTER, Clerk, Credit Bureau of Winston-Salem, Winston-Salem, North Carolina, advised that this Bureau has inactive files for Mr. GORDON GRAY, his brother, BOWMAN GRAY, and his mother, Mrs. NATHALIE BERNARD, as well as inactive records for other immediate relatives of his family who no longer reside in Winston-Salem, North Carolina. Mrs. FETTER stated that in view of Mr. GRAY's prominence in the community and in the State of North Carolina, no effort is made to keep an active file on him and his family. She stated that Mr. GRAY has "unlimited credit" and that when inquiry is received from a credit bureau from another area of the country, the report is furnished to the bureau strictly on personal knowledge of the person preparing the report. Mrs. FETTER stated that if she had to describe Mr. GRAY's credit record as well as that of his immediate family, she would describe it as "satisfactory".

My dear Mr. O'Donnell:

NOTE:

Request received 5/25/61 by letter dated 5/23/61, from White House. Gray was appointed a member of the President's Foreign Intelligence Advisory Board on 5/16/61. When requesting investigation, the White House requested copies of any memoranda of previous investigations. A copy of summary memorandum dated 2/18/53 was furnished to the White House on 5/25/61.

Prior and current investigations of Gray were favorable except that during the 1953 investigation, Graham L. Davis, former Director of the Commission on Finances of Hospital Care at Chicago, Illinois, stated that Gray had caused his dismissal from that position on 12/12/52 and had used "underhanded methods" in effecting this. Davis called Gray a "left winger" and defined this as "one who advocates a strong Federal Government which has complete authority over the country's economy." Davis is deceased.

Gray's relationship with the Bureau has been most cordial, and he has spoken highly of the Director. However, Gray was Chairman of the Hearing Board which denied J. Robert Oppenheimer, the Atomic Scientist, further access to classified information. In April, 1954, during the course of the hearings, Gray reported that he felt his mail had been tampered with and asked if the Bureau was checking it. This was emphatically denied. The Director commented that he did not appreciate this comment and that he did not like this attitude on the part of Gray. The Director instructed that the Charlotte Office should be most circumspect in their dealings with Gray. On 4/29/54, the Charlotte Office was instructed to discontinue him as a Special Service contact. Subsequently, we have had several cordial contacts with him.

Investigation completed except for check of and OSI records.

Prior and current investigations of Gray were favorable except that during the 1953 investigation, Graham L. Davis, former director of the Commission on Finances of Hospital Care at Chicago, Illinois, stated that Gray had caused his dismissal from that position on 12-12-52 and had used "underhanded methods" in effecting this. Davis called Gray a "left winger" and defined this as "one who advocates a strong government which has complete authority over the

country's economy."

Gray's relationship with the Bureau has been most cordial and he has spoken highly of the Director. However, Gray was chairman of the hearing board which denied J. Robert Oppenheimer, the atomic scientist, further access to classified information. In April, 1954, during the course of the hearings, Gray reported he felt his mail had been tampered with and asked if the Bureau was checking it. This was emphatically denied. The Director commented that he did not appreciate this comment and that he did not like this attitude on the part of Gray. The Director instructed that the Charlotte Office should be most circumspect in their dealings with Gray. On 4-29-54, the Charlotte Office was instructed to discontinue him as a special service contact. Subsequently, we have had several cordial contacts with him.

GORDON GRAY

I. BIOGRAPHICAL DATA.

- A. Birth. Gordon Gray was born on May 30, 1909, at Baltimore, Maryland, to Nathalie Lyons and Bowman Gray.
- B. Marriage. Gray married the former Jane Boyden Craige, daughter of Burton Craige, described as an "outstanding lawyer, scholar, and elder statesman" in North Carolina, on June 11, 1938. They are the parents
- C. Education. The appointee entered the University of North Carolina, Chapel Hill, North Carolina, in September, 1926, after having graduated second in his class scholastically at Woodberry Forest School in Virginia. Gray graduated from the University of North Carolina in June, 1930, receiving a B.A. degree. He entered Yale University Law School, New Haven, Connecticut, on September 25, 1930, and graduated with an LL.B. degree on June 21, 1933.

b6
b7c

In 1950, Gray received an honorary LL.D. degree from the University of North Carolina and, in 1951, received the same degree from the following institutions of learning: Wake Forest College, Wake Forest, North Carolina; Duke University, Durham, North Carolina; and Harvard University, Cambridge, Massachusetts. It is noted that, while an undergraduate at the University of North Carolina, Gray was elected to Phi Beta Kappa, an honorary scholastic society.

The appointee was admitted to the New York State Bar on December 3, 1934, in New York City after having passed the New York State Bar examination. He was certified to the First Judicial Department in that state on December 4, 1934. The records of the New York State Bar Association failed to reflect that Gray is a member. He was admitted to practice before the North Carolina Bar in the Supreme Court of North Carolina, Winston-Salem, North Carolina, on March 26, 1936.

D. Employment. The appointee was employed as an associate attorney with the law firm of Carter, Ledyard and Milburn, New York City, from September 29, 1933, to October 15, 1935. In 1935, he returned to Winston-Salem, North Carolina, to join the law firm of Manly, Hendren and Womble.

In 1937, the appointee became owner and publisher of the Winston-Salem "Journal and Sentinel" and owner and operator of Radio Station WSJS at Winston-Salem. He later acquired an interest in the "Charlotte News"; became a director of the Wachovia Bank and Trust Company; and a member of the Board of Trustees of the Winston-Salem Teachers College. In 1939, he was elected to the North Carolina State Senate where he served until inducted into the United States Army in May, 1942. Following discharge from the Army in 1945, he served a third term, in 1947, in the North Carolina State Senate until September 24, 1947, when he was appointed Assistant Secretary of the Army. On June 20, 1949, Gray was appointed Secretary of the Army at Washington, D. C. He terminated this employment on April 12, 1950, by reason of resignation.

Prior to his resignation as Secretary of the Army, Gray was elected president of the University of North Carolina on February 6, 1950, and was inaugurated on October 8 of that year. He currently holds this position.

The appointee served as director of the Psychological Strategy Board from July 2, 1951, to December 31, 1951, and as a consultant without compensation from January 1, 1952, until June 30, 1952.

Gray, while not an employee, served in 1951-1952, as a member of the Board of Trustees of the Committee for Economic Development, which committee has its headquarters in New York City.

Records of the Council on Foreign Relations, New York City, reflect that the appointee has been a member of this council since 1950; that he is carried as a "dues-paying member"; and that since he is a nonresident of New York City, has not been active and is not widely known in this council.

Since August, 1951, Gray has been associated with the Commission on Financing of Hospital Care, a division of the W. K. Kellogg Foundation, Chicago, Illinois, and is presently chairman of this commission.

Officials of the Ford Foundation, New York City, advise that the appointee has been chairman since March, 1952, of the Ford Fund for the Advancement of Education, which is an advisory board to the Ford Foundation.

Gray has been associated with the Crusade For Freedom, New York City, as chairman of the North Carolina Division since the Summer of 1951.

B. S. Womble, member, law firm of Womble, Carlyle,
Martin and Sandridge, Winston-Salem, North
Carolina.

Graham L. Davis, former director of the Commission on Financing of Hospital Care, Chicago, Illinois, stated that based on his association with Gray during the past 18 months, he would hesitate to recommend him for any type of responsible Government position. Davis emphasized that Gray, through "underhanded methods," caused his dismissal on December 12, 1952, from his (Davis's) position as director of the afore-mentioned commission of which Gray is chairman. Davis indicated that he regards the appointee as an avowed "left-winger" and defined this term as "one who advocates a strong federal government which has complete authority over the country's economy." He further described Gray as inefficient, not trustworthy, and a person of "low character." Davis stated that Gray's mere association per se with the "New Deal" Administration would cause him to question the appointee's loyalty. He added that he had nothing definite or concrete upon which to base his allegation that Gray is disloyal. Davis said that during the period he recently worked under Gray that the appointee impressed him as being a poor executive, immature, incompetent, and a "rich man's swell-headed son."

Among other comments concerning the appointee were statements describing him as brilliant, highly intelligent, aggressive, extremely capable, respected, deeply religious, industrious, sincere, energetic, trustworthy, honest, "a capable administrator and public servant," and completely and unquestionably loyal.

- B. Agency Checks. A search of the records of the following Governmental agencies at Washington, D. C., with reference to the appointee, reflected either a "no record" or no unfavorable information or additional information:

Passport Division, United States Civil Service Commission; [redacted] Investigations Division, United States Civil Service Commission; and House Committee on Un-American Activities.

b7E

The central files of the Federal Bureau of Investigation reflect that Gray was on the subscription list of the "Daily Worker" in 1947. He received the subscription in care of Piedmont Publications, of which he is publisher, Winston-Salem, North Carolina. The "Daily Worker" is an east coast Communist publication.

The records of the Department of the Army, Washington, D. C., reflect that Gray was inducted on May 16, 1942, as a private in the United States Army; that he was appointed as a second lieutenant on February 24, 1943, at Fort Benning, Georgia; and that he was released from active duty as a captain on May 24, 1945, at Fort Bragg, North Carolina.

The indices of the Central Records Facility (G-2) at Fort Holabird, Baltimore, Maryland, reflect a file for the appointee, which file contains only favorable information.

No unfavorable information concerning Gray or his immediate relatives was reflected in the records of credit reporting agencies in the following cities:

Durham and Winston-Salem, North Carolina; Baltimore, Maryland; New Haven, Connecticut; New York, New York; and Washington, D. C.

The records of law enforcement agencies in the following cities contain no unfavorable information on the appointee or his immediate relatives:

Durham, Winston-Salem, and Chapel Hill, North Carolina; Baltimore, Maryland; New Haven, Connecticut; and New York, New York.

The traffic files of the Metropolitan Police Department, Washington, D. C., indicate that the appointee's wife, Jane Gray, forfeited a \$3.00 parking fine on December 19, 1949.

- C. Relatives. The records of the Sheppard and Enoch Pratt Hospital, Towson, Maryland, reflect that the appointee's wife, Jane B. Gray, has been a patient of this hospital since January 12, 1953. Her illness is listed as "manic-depressive." These records further reflect that she had two previous attacks of this nature, one from February to August of 1945, and the other from July to September of 1949. According to these records, Mrs. Gray was confined on these occasions to the Institute of Living, Hartford, Connecticut. Harry Murdock, M.D., superintendent of the Sheppard and Enoch Pratt Hospital, stated that he anticipated Mrs. Gray's recovery "in a matter of months" but that future attacks were possible.

Individuals acquainted with members of the appointee's family advised that the reputation of each is above reproach.

SUBJECT: GORDON GRAY
SPECIAL INQUIRY - WHITE HOUSE

DATE: 1/4/65

[Handwritten notes and signatures]
EB
D. G. [unclear]
P. [unclear]

The White House has today requested that the previous investigations of captioned individual be brought up to date. He is a member of the President's Foreign Intelligence Advisory Board.

Gray is the former Special Assistant to the President for National Security Affairs, from 1958 to 1961. Prior to that he was Director of the Office of Defense Mobilization; Assistant Secretary of Defense; President of the University of North Carolina; Assistant Secretary of the Army; and Secretary of the Army. He is presently self-employed in Washington, D. C.

We investigated Gray in 1948 for the Atomic Energy Commission, and in 1953, ¹⁹⁶¹ for the White House. Neither investigation developed derogatory information except one person who called Gray a "left winger." This person held animosity for Gray since Gray caused his dismissal from an employment in 1952.

Our relations with Gray have been very cordial for the most part. In 1954, while President of the University of North Carolina, Gray advised Bureau representative that he was having difficulty in receiving his mail and inquired whether the Bureau was checking his mail. He was emphatically advised the Bureau was not. The Director instructed, at that time, that we should be most circumspect in all dealings with Gray. Subsequently, we have had several cordial contacts with him.

ACTION:

Case has been ordered separately to the field and the field has been instructed to conduct no neighborhood investigations without Bureau approval.

Mr. ROBERT D. CALKINS, President and member of the Board of Trustees, The Brookings Institution, advised he has been a social and professional acquaintance of the appointee for approximately fifteen years, having first met the appointee when he occupied the office of President of the University of North Carolina. Mr. CALKINS advised the appointee has been an active member of the Board of Trustees of Brookings during the past three and a half years and has acquired a reputation among members for his analytical and concise contributions to the function of the board. Mr. CALKINS stated that as a result of his association with the appointee, he has come to the conclusion the appointee, by reason of his public service and philanthropical activities, is a prime example of a dedicated and self-less public servant.

Mr. CALKINS recommended the appointee without qualification to a position of trust, confidence, and responsibility in the United States Government, observing that the appointee is a loyal citizen of outstanding moral reputation, character, and associates.

Dr. ARTHUR S. ADAMS, Director of the Salzburg Seminar in American Studies, Brookings Institution, advised he has been a professional associate of the appointee for approximately fifteen years, having first met the appointee when the appointee served as President of the University of North Carolina. Dr. ADAMS' social acquaintance with the appointee has included attendance at various social engagements at which both members of the ADAMS family and the appointee's family were present.

Dr. ADAMS stated the appointee is known for his outstanding administrative abilities both in his public and private affairs. Dr. ADAMS characterized the appointee as an outstanding example of a patriotic American dedicated to public service without regard to occasional inconveniences to his family situation. Dr. ADAMS recommended the appointee to a position of trust and confidence in the United States Government saying he considered the appointee to be a

patriotic American of impeccable moral reputation, character, and associates. Dr. ADAMS added the appointee suffered a massive heart occlusion on October, 1964 which has seriously limited the appointee's activities. According to Dr. ADAMS, the appointee's condition continues to be serious, observing the appointee, during his recuperation from his heart condition, developed a severe bronchial condition.

Mr. ROBERT C. BAKER, President and member of the Board of Directors, American Security and Trust Company, 15th and Pennsylvania Avenue, advised the appointee has served as a member of the Board of Directors of the Bank since early 1961. Mr. BAKER said the appointee, by reason of his considerable business and financial experience has made numerous contributions to the functioning of the bank. Mr. BAKER said that as a result of his business and social acquaintanceship with the appointee and his family, he has come to the conclusion the appointee possesses a high ethical standard in the conduct of his personal and public affairs. Mr. BAKER readily recommended the appointee to a position of the highest trust and confidence in the United States Government, saying he considered the appointee to be a loyal and patriotic American of outstanding morals, reputation, character, and associates.

Mr. ARTHUR KROCK, Columnist, New York Times Newspaper, and former Bureau Chief of the New York Times News Bureau, 1701 K Street, advised he has been a social and professional acquaintance of the appointee for approximately 25 years. Mr. KROCK said the appointee is known for his high sense of public duty, as indicated by the appointee having been chosen by former President DWIGHT DAVID EISENHOWER as a political advisor to the North Atlantic Treaty Organization, as well as his considerable service and contribution to good government, when the appointee served in various high offices in the Department of the Army. Mr. KROCK observed that former President EISENHOWER at one time said to KROCK that the appointee's astute analysis of foreign political problems frequently influenced decisions made by the President in that area.

Mr. KROCK said that he readily recommended the appointee to a position with the government. Mr. KROCK added he considered the appointee to possess an unblemished moral and professional reputation.

The following investigation was conducted by
SA JOHN T. NICHOLSON:

AT WINSTON-SALEM, NORTH CAROLINA

RELATIVES:

On January 27, 1965, Mr. WILLIAM EAST, City Editor, Winston-Salem Sentinel, advised that Mr. GORDON GRAY's mother, Mrs. NATHALIE FONTAINE LYONS BERNARD died at Winston-Salem, North Carolina, on November 28, 1961. Mr. GRAY's stepfather, BENJAMIN BERNARD, died on October 10, 1949.

MISCELLANEOUS:

On January 27, 1965, Mr. WILLIAM EAST, City Editor, Winston-Salem Sentinel, advised that in 1938 Mr. GORDON GRAY purchased the Piedmont Publishing Company, Winston-Salem, North Carolina. This firm publishes the Winston-Salem Journal, a daily morning newspaper, and the Winston-Salem Sentinel, a daily afternoon newspaper. Mr. EAST stated that Mr. GRAY, since 1938, has owned all of the common stock or voting stock in this company; however, some preferred stock is owned by officers of the company. He stated that Mr. GRAY is in a position to assume any title he desires and that for a period of years prior to 1963, Mr. GRAY was president of Piedmont Publishing Company. Subsequent to 1963, Mr. GRAY has been Chairman of the Board of Directors of Piedmont Publishing Company.

Mr. EAST noted that Triangel Broadcasting Company, Winston-Salem, North Carolina, which operates WSJS radio station and WSJS Television Station, is a wholly owned subsidiary of Piedmont Publishing Company and Mr. GRAY is therefore technically Chairman of the Board for the latter firm.

Mr. EAST stated that Mr. GRAY rarely visits Winston-Salem, North Carolina, but that he is well known to most of the prominent citizens in this city and that Mr. GRAY is considered to be a person of irreputable character and integrity and that his loyalty, associations, and reputation have never been questioned.

CE 161-89

JTN:lrf

2

Mr. EAST stated that he would very definitely recommend Mr. GRAY for any position within the Government of the United States.

On January 27, 1965, Mr. FREDERICK HAUSER, Director of Personnel, R. J. The following investigation was conducted by
SA [redacted] on December 3, 1975:

Admiral GEORGE W. ANDERSON (US Navy retired), Chairman, President's Foreign Intelligence Advisory Board, advised he has known GORDON GRAY on a professional basis for several years. ANDERSON noted that one of the most striking things about GRAY in his diverse background. He has served both as a private in the United States Army and later as the Secretary of the Army. In years past he served as Assistant to the President for National Security Affairs and has also served as Director of the R. J. Reynolds Tobacco Company. He is very active in community affairs and brings to the Board great experience and wisdom on many subjects. ANDERSON has traveled abroad with the appointee several times in connection with Board business and has never heard or observed anything which would lead him to question the appointee's loyalty or suitability for Government employment. GRAY is certainly a loyal and patriotic American and ANDERSON is pleased to recommend him for the position of member, PFIAB.

SPECIAL INQUIRY

Attached hereto are the original and four copies of the reports of SA HARMON J. OGDEN dated February 5, 1953, at Washington, D. C., in the above-captioned matter.

Re a check at the Department of the Army and the Federal Records Center, Saint Louis, Missouri, for a personnel record to cover GRAY'S employment as Assistant Secretary and Secretary of the Army. It is noted that the Washington check was negative and that the Saint Louis check revealed only payroll records. If this does not constitute satisfactory coverage, it is believed that Bureau liaison should possibly check the records of the White House, as the Assistant Secretary of the Army is a Presidential Appointee.

 SPECIAL INQUIRY

Attention: Assistant Director A. ROSEN

Re Washington Field teletype to Director and interested offices dated January 30, 1953, which indicates that Mrs. JANE GRAY was confined in 1945 to Institute of Living and treated for a condition diagnosed as manic phase of manic depressive.

The facts are, according to Mr. JOHN WHITAKER, that in 1945 Mrs. GRAY's children were very young, having been born relatively close together and Mr. GRAY was in the Army in Europe. The condition of her general health together with concern for her husband caused her to have something of a nervous breakdown. He said that she is now at the Shepherd Pratt Home, Baltimore, Maryland. As he understands it the burdens of the family, including extensive entertaining as the wife of the University President, coupled with her other activities have caused her trouble. He said she is a very intelligent and active woman, and that there definitely is no history of mental disturbances in her family.

Mr. JAMES W. COAN explained that occasionally Mrs. GRAY suffers from some disturbance, the symptoms of which she can recognize. When these symptoms appear she goes to some place for treatment and separates herself from conditions which cause the trouble and is able to recover. He, too, said there is definitely no history of a mental weakness in her family.

With respect to Dr. ELBERT A. MacMILLAN, indicated as the psychiatrist who made the diagnosis at Bowman Gray School of Medicine, it is noted that he, himself, has suffered a loss of his faculties resulting in necessary psychiatric treatment and the giving up of his practice. He was not interviewed.

BACKGROUND

The records of the University of North Carolina reveal GORDON GRAY was born May 30, 1909, at Baltimore, Maryland, the son of BOWMAN GRAY and NATHALIE LYONS GRAY.

Mrs. ARDITH JOHNSON, Mr. GRAY's secretary at the University of North Carolina, stated Mr. GRAY's father is deceased and his mother was remarried. His mother's second husband is also deceased. She is now Mrs. B. F. BERNARD, residing on Reynolds Road, Winston-Salem, North Carolina. His only brother, BOWMAN GRAY, JR., is a Vice-President of R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina, and a resident of that city.

Mr. WILLIAM FRIDAY, Assistant to the President, University of North Carolina, furnished the March 1950 issue of "Popular Government," the official magazine of the Institute of Government of the University of North Carolina. This issue sets forth the background of President GRAY until the time he was inaugurated in 1950 into his present position of President of the Consolidated University of North Carolina. The Consolidated University includes the University of North Carolina, Chapel Hill, North Carolina, the Woman's College of the University of North Carolina, Greensboro, North Carolina, and North Carolina State College, Raleigh, North Carolina. Mr. FRIDAY said the outline of Mr. GRAY's background is an accurate, concise report. It is as follows:

1949--Appointed Secretary of the Army on June 20.

1950--Elected President of the University of North Carolina on February 6.

Since 1950, according to Mrs. ARDITH JOHNSON, he held these additional positions at the indicated dates:

April 1950 to November 1950--Special Assistant to the President of the United States. During this time he made a study and report concerning Foreign Economic Aid.

July 1951 to December 1951--Director of the President's Psychological Strategy Board.

Also, since being at the University, he has been a member of the Committee for Economic Development, 444 Madison Avenue, New York. This Committee is now defunct and formerly did work under President TRUMAN's administration in connection with the study and report of economic trends and planning. This organization was made up of prominent industrialists and financiers.

There is also the Council on Foreign Relations, 58 East 68th Street, New York City, an advisory group, and the "Committee on the Present Danger," 711 14th Street, New York City, no longer existent. Mr. GRAY is also Chairman of the Board of Overseas Training and Research under the Ford Foundation. He is Chairman of the Board of Directors for the Piedmont Publishing Company of Winston-Salem, North Carolina, which publishes the leading newspapers in Winston-Salem, North Carolina. In 1953 he has been made the North Carolina Chairman of the Crusade for Freedom and also selected to the Committee on International Information Activities for President EISENHOWER.

Mr. GRAY was also a trustee on the Harry S. Truman Library Foundation but has resigned this position. He was, during 1951, Chairman of the Committee on Financing of Hospital Care. This group was sponsored by the Kellogg Foundation and had as its purpose the study of means of providing necessary care to the sick at prices they could afford, and, at the same time, permit hospitals to operate without a deficit.

In 1950, Mrs. JOHNSON said, Mr. GRAY received an honorary LL.D. degree from the University of North Carolina. In 1951, he received the same degree from Wake Forest College, Wake Forest, North Carolina, Duke University, Durham, North Carolina, and Harvard University, Cambridge, Massachusetts.

EDUCATION

According to the records of Mr. E. S. LANIER, Central Records Office, University of North Carolina, GRAY graduated second in his class scholastically at Woodberry Forest School in Virginia and applied for entry into the University of North Carolina in 1926. He entered in September 1926 and attended school regularly there during the usual school terms until June 1930 when he received his B. A. degree. Mr. GRAY was not in attendance during a portion of the 1927 year, when he was abroad, but did special reading during this time and was examined upon his return.

Mr. GRAY's scholastic record, according to Mr. LANIER, was particularly outstanding. He was a member of Phi Beta Kappa and its president.

Mr. LANIER stated he was in school during a portion of the time Mr. GRAY attended during his undergraduate studies. He did not know Mr. GRAY except casually as a student but stated he had a reputation on the University campus for being one wealthy student who was without pretense; one who was most conscientious and capable. His brother, BOWMAN GRAY, JR., had a similar reputation except his scholastic ability did not equal that of his brother. Neither of them, at that time, ever supported any movement or expressed sympathy for a doctrine contrary to the best interests of this country.

Mr. LANIER, who is also the Mayor of Chapel Hill, North Carolina, said he was a member of the administrative staff of the University. Mr. GRAY sets the policy of the University at the present time. He also, since the University is the nucleus of the town, has a great influence upon the towns-people. His ability, demonstrated by assuming the position of the President of the Greater University of North Carolina,

a job for which he had no previous direct experience, and executing it with simplicity and directness, has attracted the admiration of townspeople and University employees alike. LANIER said he wholeheartedly recommended Mr. GRAY for any position of trust and responsibility in the government.

Professor JOHN F. DASHIELL, 214 New West Building, University of North Carolina, stated he never taught Mr. GRAY during the time he was a student at the University. He was, however, the head of the Department of Psychology during this time and was familiar with GRAY's ability academically and he also knew him personally as a student. DASHIELL recalled GRAY registered in a course in psychology and was unable to attend the classes because of a European cruise he took with his family. While on this cruise, he covered recommended reading in the course given him by his professors and was able, upon his return, to take oral examinations and pass them with outstanding success. This was most impressive, Dr. DASHIELL said, and GRAY was even at that time making his reputation. He was a student who was congenial, capable, honest, conscientious, reliable, and thoroughly loyal.

Dr. DASHIELL stated he has also known Mr. GRAY professionally since his return to Chapel Hill in 1950. He has found him to be a fine administrator who gives his entire time to his job, almost to the exclusion of his family. He recommended Mr. GRAY for a position in the government.

Professor DASHIELL said he also knew Mr. GRAY's brother while he was a student at the University of North Carolina. He also endorsed him as a thoroughly loyal American of good moral character.

Coach ROBERT FEITZER, 322 West Rosemary Street, said he knew Mr. GRAY quite well while he was a student at the University of North Carolina since GRAY was the manager of the baseball team for one year. He said he knew BOWMAN GRAY, JR., probably better because BOWMAN was the manager of both football teams and the track team. The GRAY brothers were unusual during this time, according to Coach FEITZER, in that they received and held the highest regard of both students and faculty members because of their lack of pretense and their thorough reliability in spite of their wealth. He said he considers Mr. GRAY an outstanding person of excellent ability, who is highly regarded in the community of Chapel Hill today.

Dr. W. M. DEY, 401 East Rosemary Street, stated he remembered Mr. GRAY and his brother both as students at the University of

North Carolina. The academic record of Mr. GRAY was ample recommendation for his ability as a student, Dr. DEY said, and his membership in leadership and fraternal organizations demonstrated his popularity among the students and his personableness.

Dr. DEY is now retired, but he said he goes often to his office still maintained at Murphy Hall, and he continues his associations with members of the University staff. Mr. GRAY is considered by all the faculty Dr. DEY associates with as a most competent president. GRAY is a loyal, reliable person, he stated. He said he considered it a privilege to recommend Mr. GRAY for a position with the government.

Professor G. E. SHEPHERD, Westwood Drive, reported he had known Mr. GRAY while they were students at the University of North Carolina during the late twenties. They were members of the same social fraternity but not members of the same class. Mr. SHEPHERD knew Mr. GRAY primarily through GRAY's management of the baseball team for one year while Mr. SHEPHERD was a graduate student doing work in the gymnasium of the University. He also knew BOWMAN GRAY, JR. Both of these students, he said, were outstanding in that they never tried to take advantage of any position which their money might have brought for them; they did not use their college career as a time for pleasure or dissipation as some did, but they both seriously and industriously assumed the responsibilities of acquiring an education and obtained a full return for their time in college. They were genuinely liked by their fellow students.

Professor SHEPHERD said since Mr. GRAY had become president of the University he has concentrated his efforts completely in fulfilling his job. This task is so confining GRAY has had little opportunity for social life. Therefore, his contact with the faculty has been primarily professional. Nevertheless, he is liked and respected. Professor SHEPHERD said he considered both President and Mrs. GRAY to be thoroughly loyal, responsible people, and he would recommend him for a position with the government.

EMPLOYMENT

Mrs. JOHNSON, Mr. GRAY's secretary, said Mr. GRAY was inaugurated President of the Greater University of North Carolina on successive days at the three institutions, October 8, 9, and 10, 1950. He has held the position since that date. She stated she has been employed by him since 1947 and has handled correspondence concerning all phases of his activity during that time. She has found him to be thoroughly honest, capable, and dependable. His primary difficulty is his inability to devote

sufficient time to his recreation and his family. It is the opinion of many who work with him, she said, that Mr. GRAY devotes too many hours to his work and just how long he can maintain the pace is hard to tell.

Although she has done some incidental work for Mrs. GRAY and has met her on occasions, she said she did not know her intimately. She did know her well enough, she said, to state unequivocally Mrs. GRAY was a thoroughly loyal and respected woman of excellent character.

Mrs. JOHNSON said she would recommend Mr. GRAY as a most responsible and loyal American who is eminently qualified to hold a position of responsibility in the government.

Mr. WILLIAM FRIDAY, Assistant to the President, said he had been appointed to that position by Mr. GRAY shortly after Mr. GRAY was selected as the head of the University. He has associated closely with Mr. GRAY since that time. He said he considered Mr. GRAY to be one of the most completely equipped men to hold an administrative post he has known. Whatever he undertakes he does with a complete selflessness and concentration that is undivided. Hours, health, and diversions are of no consequence to him, and he was constantly apprehensive over the possibility Mr. GRAY would give out. His health, however, has been good, and he seems to be able to discharge his responsibilities excellently and quickly. He described him as a loyal American who was thoroughly fitted for a position of trust in the government.

Mr. FRIDAY stated he knew Mrs. GRAY also. She is a person of excellent character. Recently, from overwork and the family responsibilities for her four boys and the other demands made upon her, she has become exhausted and is resting for an indeterminate time away from Chapel Hill.

Chancellor R. B. HOUSE, University of North Carolina, advised Mr. GRAY's task since coming to the University has been an exacting one. He has had to work on affairs in the consolidated university in connection with its general administration. He has been most faithful, devoting long hours to this task.

In addition, there is the job of public relations required of the President. He has had to make visits, make speeches, meet with trustees, legislators, and parents. More than this, he has work growing out of the various positions he has held previously and the experience he has gained in these positions qualifies him to fill any job with competency. For instance, he has done considerable work on a national survey of the

costs of medical care done under the sponsorship of the Kellogg Foundation. Finally there are jobs to do for the government growing out of his past positions held in the government, such as the work on the Board of Psychological Warfare for President TRUMAN.

These jobs have been most competently filled, Chancellor HOUSE stated, and, without having previous experience as a President or being in the educational field, Mr. GRAY is making an excellent official. He is a loyal American and a fine person, Mr. HOUSE said.

Mr. HOUSE stated he also knew Mrs. GRAY. She has been primarily occupied as a housewife but also has fulfilled her job handling the social responsibilities with the staff members of the University. She has been interested in the church and in civic work. She is a splendid person, Mr. HOUSE said.

Professor HOWARD ODUM, Sociology Department, University of North Carolina, said he knew Mr. GRAY while he was a student at the University, although he did not teach him. Since Mr. GRAY has been President of the University, he has worked closely with him on a project concerning the state of the University. He has been able to observe Mr. GRAY closely.

The particular job facing Mr. GRAY in connection with his position as head of the University has included, among many other things, the protection of the professor's right to express himself. Mr. GRAY is very strongly opposed to Communism, Mr. ODUM said, and his objection goes almost to the point of rabidity. Nevertheless, he has been able to maintain the respect of his professors and keep them satisfied insofar as the delicate matter of academic freedom is concerned. This is a job which is most difficult now and GORDON GRAY, Dr. ODUM said, has had to work hard at it. This is particularly true since he had no previous experience in administering a university.

He said he would endorse both Mr. GRAY and his wife as thoroughly loyal Americans. Mr. GRAY is highly capable, conscientious, probably too industrious for his own health, and a personable individual, he stated, and one who is excellently qualified for a position of trust in the government.

NEIGHBORHOOD AND ASSOCIATES

Dean HENRY BRANDIS, University of North Carolina Law School, said he was a student during a part of the time Mr. GRAY attended the University of North Carolina. Since that time he has known him by reputation until he returned to the University as the President. He has associated with him personally since that time. He said he would recommend him as

a thoroughly capable, reliable, morally responsible, and loyal individual. He has also known Mr. GRAY's wife, who has been primarily devoted to the tasks of being a mother, but who also has been interested in church and civic work. Although she is away from Chapel Hill at the present time, he said, she is an excellent person and good wife.

Mr. T. D. ROSE, Town Manager, City Hall, stated he has known the GRAY family for many years and was in school at the University with Mr. GRAY's uncle, JAMES GRAY. The entire GRAY family always had an excellent reputation. Mr. GORDON GRAY is an admirable, competent person of good character and loyalty.

Mr. L. B. ROGERSON, Manager of the Carolina Inn, said Mr. GRAY is a person who has not had previous experience in the administration of a college. There are various aspects of the job at which he is new. His outstanding talent, in Mr. ROGERSON's opinion, was he could be efficient, prompt, and positive without losing his fairness. For this he was respected even though he was constantly occupied and difficult to see. He said there was no question about Mr. GRAY's loyalty and he would recommend him for a position of confidence in the government.

Mr. J. MARYON SAUNDERS, Alumni Office, University of North Carolina, said he was at the University at the same time Mr. GRAY was there, although, for a portion of the time he was abroad. Since Mr. GRAY has been President, SAUNDERS said he had worked and travelled with him on a number of occasions. GRAY had little social life, according to SAUNDERS, and this had been connected, even so, with his University duties. Mr. GRAY was the type of man who worked day and night. He was thoroughly responsible, capable, reliable, loyal, and moral, and Mr. SAUNDERS stated he was completely equipped to handle any governmental assignment.

CREDIT AND IDENTIFICATION RECORD

Mr. GRAY has no credit record in the Merchants Association, Durham, North Carolina, which covers Chapel Hill, North Carolina. He has no arrest record in the files of the Durham or Chapel Hill Police Department.

The following investigation was conducted by Special Agent CARMON J. STUART.

AT WINSTON-SALEM, NORTH CAROLINA

In May 1948, a similar investigation concerning Mr. GRAY was conducted at which time four individuals as follows were interviewed concerning Mr. GRAY and furnished information set forth below.

Mr. JOHN WHITTAKER, then Vice-President of the R. J. Reynolds Tobacco Company, advised that he had known Mr. GRAY since childhood and has been intimately acquainted through social and business relationships with the GRAY family. He has followed Mr. GRAY's life beginning in the public schools of the city through the Yale Law School and has been informed that he was at or near the top of his class in each school. He furnished the following additional information. After Mr. GRAY returned to Winston-Salem, a group of local citizens became interested in buying the local newspapers. They were bought by these people including Mr. GRAY and his mother, and the Piedmont Publishing Company was organized with Mr. GRAY as its head. Since about 1937, he has been the active head of this company which publishes the Winston-Salem Journal, (mornings), the Twin City Sentinel, (afternoons), and the Journal and Sentinel (Sunday edition), and operates a radio station (WSJS). He has also served in the North Carolina Legislature as a State Senator. Mr. WHITTAKER emphasized as an indication of Mr. GRAY's character, that in his public service and business conduct, Mr. GRAY has been motivated by a sincere desire to serve all the people of his community, state and country and that he never has been a spokesman for the R. J. Reynolds Tobacco Company or for industry. He knows Mr. GRAY well, and advises that his personal life is clean, his character, associations and loyalty are above reproach. On the question of loyalty, Mr. WHITTAKER said there simply is no basis whatever for even the slightest suspicion. On this point, he commented that Mr. GRAY could have had a choice of commissions as an officer during the last war but that he conscientiously elected to volunteer as a private. During his preliminary training, Mr. GRAY tried so hard to qualify that he injured himself during some of the exercises. Mr. WHITTAKER concluded that Mr. GRAY is one of the finest men in Winston-Salem.

Mr. WHITTAKER, now Chairman of the Board of Directors, R. J. Reynolds Tobacco Company, was reinterviewed on February 2, 1953, and he said that nothing has happened in the past five years to cause him to change his opinion of Mr. GRAY. On the contrary, his public life and public service have increased his admiration and esteem for Mr. GRAY.

In 1948, Mr. ROBERT M. HANES, President, Wachovia Bank and Trust Company, and later ECA Administrator for Germany, stated that he had known Mr. GRAY from childhood and that he personally admires him very much. With respect to character and integrity, Mr. HANES said, "I would

shut my eyes and trust him" in any situation. His patriotism and personal reputation were unquestionable in every way. Mr. HANES made the additional comment that Mr. GRAY had inherited considerable wealth and could have lived the rest of his life without ever working but that he has been one of the hardest working men in Winston-Salem. He pointed out that Mr. GRAY has devoted himself wholeheartedly to the service of his community and to his state through his newspaper and radio station and summarized by saying that he just could not say anything except the very best about Mr. GRAY.

In 1948, Mr. S. CLAY WILLIAMS, then Chairman, Executive Committee, R. J. Reynolds Tobacco Company, and former NRA Administrator, (now deceased) advised that he was employed in an executive capacity by the late R. J. REYNOLDS in 1917 and has known Mr. GRAY since that year, having lived across the street from the GRAY home and having been closely associated with his father, the late Mr. BOWMAN GRAY, one time president and chairman of the board of the Reynolds Company. He has seen Mr. GRAY grow up from childhood and followed his personal and educational life. He advised that Mr. GRAY has always been an able, hard-working, sincere and honorable man in every way. For example, he was at or near the head of his class at the University of North Carolina and the Yale Law School according to Mr. WILLIAMS. His character, personal life, integrity, and patriotism are beyond reproach in any way. He commented that Mr. GRAY is a young man who has earned the respect and confidence of older people because of his sincerity of purpose and personal achievements.

In 1948, Mr. GUY R. DUDLEY, then Vice-President (now President), First National Bank of Winston-Salem, North Carolina, advised that he had been well acquainted with Mr. GRAY for the past fourteen years and he furnished the following information about him. Mr. GRAY has been one of the hardest working men in Winston-Salem. His schedule of work has been six days and five nights per week, spending one night and Sunday per week with his family. On the question of integrity, Mr. DUDLEY said that if Mr. GRAY, who is not in any way connected with the First National Bank, were to call him and say he had issued a check for \$50,000.00 on the First National Bank, he would place the money to his credit and feel absolutely secure in the knowledge that Mr. GRAY would take care of the obligation. Mr. DUDLEY said he would not do that because Mr. GRAY is a rich man but because he has absolute confidence in his integrity. Mr. GRAY's personal character is absolutely beyond reproach according to Mr. DUDLEY, who has never heard even the slightest inference against his moral character. He drinks very little and never to excess and at most could only be called an "occasional" drinker. Mr. GRAY is very civic minded and works hard on civic problems for the good of his city and state. In comparison, Mr. DUDLEY said that he, Mr. DUDLEY, works with the Community Chest, Chamber

of Commerce, and YMCA, as a contribution in services for what he cannot contribute financially. On the other hand, Mr. GRAY is liberal in his contributions but works even harder for these same community endeavors because he sincerely wants to build his city and community. With respect to his financial support of worthy causes, Mr. GRAY is the kind of man who prefers to remain in the background and support these efforts without any personal publicity. With respect to patriotism, Mr. DUDLEY said he would question himself before he would question Mr. GRAY. By way of illustration, he said that while he, Mr. DUDLEY, may tend to feel patriotic and do little about influences detrimental to the government and welfare of the country, Mr. GRAY is the kind of man who feels intensely loyal and works hard for the cause of good citizenship. By way of illustration, Mr. DUDLEY related that early in the last war, Mr. GRAY could easily have had a major's commission in the Army's radio service by reason of the fact that he owns and operates a radio station and had had that type experience or he could have had a commission in the Judge Advocate's Division by reason of his legal training but that he voluntarily and sincerely elected to enter the service as a private. He feared he would not be accepted on account of his physical condition, so he spent about six weeks at the YMCA working hard to condition himself for military service before he volunteered.

Mr. GRAY, according to Mr. DUDLEY, has three strong and very sincere loyalties, which are to his family, his church and to his country. With respect to his church, Mr. GRAY has been very active, loyal and sincere. His great value in this respect has been not his personal gifts which are liberal, but his earnest work among about 2,000 members to promote the welfare of the church. For example, during a fund raising campaign, Mr. GRAY advanced the proposition, that every member should support his church, in accordance with his means. If a member could give only one cent per week, then he should give that much. If he could not give that much, then he should continue in the church, but that the church should help the member. Through the hard work of Mr. GRAY in evolving and carrying out sound church and community programs like this, Mr. GRAY has earned the whole hearted respect and esteem of the entire community.

In summary, Mr. DUDLEY said that he considers Mr. GRAY to be the finest young man he knows.

Mr. CARLYLE A. BETHEL, Senior Vice President and Trust Officer, Wachovia Bank and Trust Company, furnished a biographical sketch and the following information concerning Mr. GRAY on February 2, 1953.

In 1932-34, Mr. BETHEL was an Associate in the New York Law firm of Carter, Ledyard and Milburn. A senior member of that firm, Mr. SYDNEY DAVIDSON, heard Mr. GRAY speak at some dinner meeting at Yale University and was so impressed with him that he brought Mr. GRAY into the firm as an associate. Mr. BETHEL was closely associated with him in the firm and there developed a close friendship between them. Here, as an indication of Mr. GRAY's character, Mr. BETHEL said that he knew Mr. GRAY rather intimately for more than a year before he learned that Mr. GRAY was the son of a multi-millionaire. Mr. GRAY's father, the late BOWMAN GRAY, died in 1935, and he came back to Winston-Salem to help handle the affairs of the estate and never returned to New York. The Wachovia Bank and Trust Company was executor of the estate for which some of the tax problems were handled by Mr. BETHEL, then with the firm of Carter, Ledyard, and Milburn. As a result of his work for the bank, Mr. BETHEL came to work for the Bank in 1937 and in Winston-Salem (which Mr. GRAY has considered home before moving to Chapel Hill, North Carolina) has continued his friendship and association with Mr. GRAY and his family.

Mr. GRAY married the former Miss JANE CRAIGE on June 11, 1938. She is the daughter of Mr. BURTON CRAIGE, described by Mr. BETHEL as an "outstanding lawyer, scholar, and elder statesman" in North Carolina. They have four sons, the oldest being about fifteen years old.

On the question of character, integrity, patriotism, "the stewardship of his money", and public and private honor, Mr. BETHEL said that Mr. GRAY is a man about whom such questions must be answered favorably "with a plus" as to each of these qualities. There is absolutely no question or doubt in Mr. BETHEL's mind with respect to Mr. GRAY. As he put it, the "problem" is not whether he is qualified in all respects to do important work for the Government, but whether he is available to the Government to accept assignments over and above the public responsibilities he now carries as head of the Consolidated University of North Carolina. On the question of his ability, Mr. BETHEL said simply that it is "outstanding".

Mr. JAMES W. COAN, President and Mr. JOHN G. JOHNSON, General Manager, Winston-Salem Broadcasting Company, Incorporated, and operators of Radio Station WTOB, a CBS affiliate, since April 1947, were interviewed together. Their radio interests have been competitive with the radio interests

of Mr. GRAY whose corporation owns radio station WSJS, an NBC affiliate. They agreed that Mr. GRAY has been able and efficient in this business field and a man of "high principal--completely ethical". In one instance in which managements of these two radio stations were competing for a Government television license, Mr. COAN and Mr. JOHNSON felt that although Mr. GRAY had personal contacts and friendships among Government officials (having only recently been an Assistant to the President of the United States) he, at no time, did use these contacts for personal advantage. By the same principal, they said they did not feel he would ever use any official connections in the future for personal gain.

With respect to his operation of the daily newspapers of Winston-Salem, they have understood from sources they consider reliable that he has never received any money from them in the nature of salary or dividends. This also applies to his radio station, WSJS. They said they were informed by the management of a comparable North Carolina newspaper that these papers and radio station could be operated for a handsome profit. It is their opinion that on the contrary he has operated these facilities as a public service. They pointed out that in the last presidential campaign these papers publicly announced that they were not taking a position favoring either candidate, but would rather report and comment on qualifications of both.

Mr. COAN said that he has known Mrs. GRAY and the CRAIGE family all his life and that her brother, ARCHIBALD CRAIGE is one of his closest friends. Both stated with respect to the GRAY and CRAIGE families that they have never been the subject of any rumors, gossip, or reflections of any kind on their reputations, associations or citizenship.

Mr. B. S. WOMBLE, Senior Member of the law firm of Womble, Carlyle, Martin and Sandridge, (formerly Manley, Hendren and Womble), who is reportedly one of the outstanding practicing attorneys in the state, confirmed the fact that Mr. GRAY was associated with his firm for about two years during the approximate period 1935-37. He said that he has known Mr. GRAY well since his childhood, and "since he has been old enough to have a reputation", there has never been any reason to question him even in the slightest concerning his personal or professional honor and patriotism. He too used the term "outstanding" in reference to Mr. GRAY's ability.

The persons indicated herein who know Mr. GRAY best said that his immediate family is above reproach with respect to citizenship and personal integrity. In this group they included: his wife, the former Miss

JANE BOYDEN CRAIGE; his mother, Mrs. BENJAMIN BERNARD (the former Mrs. BOWMAN GRAY), nee NATHALIE FOUNTAINE LYONS; his brother, Mr. BOWMAN GRAY, Vice President and Sales Manager, R. J. Reynolds Tobacco Company; and his uncle, the late Mr. JAMES P. GRAY, former President and Chairman of the Board of the R. J. Reynolds Tobacco Company.

The criminal and security files of the Winston-Salem Police Department contain no unfavorable reference to Mr. GRAY or any member of his immediate family.

Miscellaneous

According to the records of the North Carolina Superior Court, Winston-Salem, North Carolina, Mr. GRAY was admitted to practice before the North Carolina Bar in the Superior Court of North Carolina, Winston-Salem, North Carolina, on March 26, 1936.

The following investigation was conducted by Special Agent RUFUS H. POWELL.

AT CHAPEL HILL, NORTH CAROLINA

LEWIS CONNOR, Carolina Inn, stated he was the Regional Chairman for the Southeastern States for "The Crusade for Freedom." This organization is a fund raising group to operate Radio Free Europe and Radio Free Asia, supplementing the Voice of America. This organization was started by General LUCIUS CLAY.

CONNOR said he has known GRAY well for the past four years and has known of his family all his life. GRAY presently is North Carolina Chairman of the Crusade for Freedom. He is a man of the highest integrity, completely loyal, and thoroughly competent for any government post, according to Mr. CONNOR.

A request was received from Sherman Adams, the Assistant to the President, for an investigation of Gray under the Special Inquiry program. This type of investigation encompasses inquiries of the appointee with reference to his character, loyalty, associates, and ability.

Investigation to date indicates that he was born on May 30, 1909, at Baltimore, Maryland. He graduated from Yale University Law School with an LL.B. degree on June 21, 1933.

The indices of the Federal Records Center, Government Security Administration, St. Louis, Missouri, indicate that Gray was employed as the Assistant Secretary of the Army, Washington, D. C., on September 24, 1947. These records further indicate he was appointed Secretary of the Army on June 20, 1949, and terminated on December 1, 1950, by reason of resignation.

The appointee served in the United States Army from 1943 to 1945, being discharged as a Captain. Investigation indicates Gray conducted the "Dollar" survey in 1952 and was paid from White House Office funds. He served as Director of the Psychological Strategy Board and is known to General W. B. Persons and Robert Cutler of the White House Staff and to General W. B. Smith, Under Secretary of State.

Gray was named President of the University of North Carolina in October, 1950, a position which he currently holds.

ACTION REQUESTED:

That this memorandum be forwarded to the Bureau's Liaison Section in order that General W. B. Persons and Robert Cutler of the White House Staff and General W. B. Smith, Under Secretary of State, be interviewed by Bureau Liaison representatives concerning Gordon Gray.

Care. Mr. PATTULLO also stated that he had received information that Mr. DAVIS had resigned his position as chairman of the Commission on January 31, 1953, and that he (DAVIS) would have had a personal acquaintance with Mr. GRAY.

Mr. GRAHAM L. DAVIS, 1106 Minges Road, former Director of the Commission on Financing of Hospital Care, whose headquarters are located at 1020 North Rush Street, Chicago, advised that the Commission is an independent research group formed in August 1951, and that GORDON GRAY has been chairman of the Commission from October 1951 to the present.

Mr. DAVIS, who is a former President of the American Hospital Association, and who was on a leave of absence from the W. K. Kellogg Foundation, after eleven years as its Director of Divisions of Hospitals, stated that based on his association with GRAY during the past eighteen months he would hesitate to recommend him for any type of responsible Government position. He said that the Commission's purpose was to determine how, if possible, hospitals could be operated on a profitable basis, if at all. Mr. DAVIS said that his approach to the problem was from a business management point of view, whereas GRAY's approach was from the New Deal point of view; that all hospitals should be subsidized by the Federal Government. Mr. DAVIS believed that because of his difference in political philosophy, a belief in state's rights or decentralization of Federal control, from GRAY's philosophy, "New Dealism" or a strong centralization of control by the Federal Government, he (DAVIS) was ultimately forced to resign his job as Director of the Commission.

Mr. DAVIS said that the manner in which GRAY proceeded in advising the Executive Committee of the Commission about his (DAVIS') inefficiency gave him reason to believe that GRAY was a person of low character and as such he does not believe him to be trustworthy. Mr. DAVIS stated that he never had any association with GRAY prior to directing the Commission, but said that based on this acquaintanceship with him he could definitely, in his opinion, classify GRAY as an avowed "left winger." DAVIS said that in his opinion by "left winger" he

(DE 77-2920)

means one who advocates "a strong Federal Government which has complete authority over the country's economy." DAVIS stated he believes GRAY advocates this policy and GRAY would be a dangerous type of person to have in a high Government position.

DAVIS said that GRAY's mere association, per se, with the "New Deal administration" would cause him to question GRAY's loyalty. DAVIS further stated that he had no definite information by which he could definitely identify any individual of disloyal tendencies who had associated with GRAY and added that he had nothing definite or concrete upon which to base his allegation of disloyalty on GRAY's part. He emphasized the point that "the underhanded methods" by which GRAY caused his dismissal on December 12, 1952, from his position as Director of the Commission led him to believe that GRAY was untrustworthy and of questionable character.

Mr. DAVIS said that during the period he recently worked under GRAY that GRAY impressed him as being a poor executive, immature, incompetent, and of being "a rich man's swell-headed son."

DAVIS advised that he would testify as to the above allegation before a loyalty review board but pointed out that he did not have anything concrete to base his allegation on; however, he advised that his past association with GRAY would not permit him to recommend GRAY for any position of trust.

He said this acquaintanceship has arisen mostly from their mutual attendance at frequent executive meetings of this commission and that GRAY's ability has been best displayed by the heavy burden he has carried without remuneration as Chairman of the commission. He stated that GRAY is a splendid gentleman of some means whose speech, actions, and attitude would stamp him as being a loyal and patriotic American citizen. with GRAY and believes his past experience as the Secretary of the Army and the President of the University of North Carolina would fit him for a responsible position with the government.

Dr. DONALD J. CASELEY, M.D., Medical Director, advised that he has known GRAY professionally since the fall of 1951 at which time GRAY became the chairman of the Commission on Finance of Hospital Care. He said that GRAY impressed him as being an intellectually bright and capable person who stems from a southern patrician family. He said that he has reviewed most of GRAY's utterances, pronouncements, and writings issued in connection with his, GRAY's, chairmanship of the commission and has found these well motivated and to demonstrate GRAY's well developed sense of social justice in looking out for the welfare of all individuals. He pointed out that GRAY, in serving as Chairman of this commission without compensation and in other instances, has always displayed a high sense of civic duty. Dr. CASELEY added that in his opinion the integrity, reputation and loyalty of GRAY are absolutely above reproach, and GRAY presents a completely favorable picture for association with the United States government.

As requested in the attached memorandum, Liaison has conducted the following inquiries concerning Mr. Gordon Gray, who is the subject of a special inquiry received from the White House.

On February 12, 1953, General Robert Cutler informed Mr. Sanders that he had known Gray since 1948 when Gray was Acting Secretary of the Army. He stated he had worked very closely with Mr. Gray and that Gray had in fact brought him, Cutler, back as Gray's Deputy on the Psychological Strategy Board. General Cutler described Gray as a close friend and stated he could vouch for his character, loyalty, associates, and ability.

General Smith was interviewed by Mr. Roach on February 13, 1953, at which time he stated that he knew nothing detrimental concerning Mr. Gray and could say nothing but good about his character, loyalty, associates, and ability. He stated that while Gray was Secretary of the Army he kept many top-level secrets and he also stated that he, Smith, considered Gray a very discreet person. General Smith voiced no hesitation in recommending Mr. Gray without qualifications.

General Persons informed Mr. Roach on February 13, 1953, that he knows no one in Government service nicer than Mr. Gray. He stated that Gray's integrity, loyalty, and ability were above reproach and that he would have no hesitation in recommending him for any Government position of high trust.

This memorandum should be referred to the Special Inquiry Section of the Investigative Division for its information.

SYNOPSIS:

Gray's wife, Jane B., is currently in a Maryland mental hospital suffering from an illness diagnosed as "manic-depressive." Records reflect two previous attacks of this illness in 1945 and 1949. All investigation on Gray favorable except derogatory comments from Graham L. Davis, former director of Commission on Financing Hospital Care, Chicago, Illinois. Davis's comments, while highly unfavorable to Gray, are admittedly without definite or concrete basis in fact. Gray has been associated with the Crusade For Freedom as chairman of the North Carolina Division since 1951. The Director commented on October 10, 1950, "... I don't want to give even an indirect endorsement of the Crusade For Freedom for we know of questionable characters in it." Gray's name was listed on a "Daily Worker" subscription list in 1946. An Atomic Energy applicant investigation on Gray in 1948, determined he was apparently on this list because of his publishing business. Recommend attached summary be forwarded to Sherman Adams and the Attorney General.

BACKGROUND:

Investigation of Gray was made at the request of Sherman Adams on January 27, 1953.

DETAILS:

Mental Illness of Gray's Wife

The records of the Sheppard and Enoch Pratt Hospital, Towson, Maryland, reflect that the appointee's wife, Jane B. Gray, has been a patient at this hospital since January 12, 1953, suffering from an illness diagnosed as "manic-depressive." These files further reflect that she had two previous attacks of this illness from February to August of 1945, and again from July to September of 1949. On both latter occasions, she was confined to the Institute of Living, Hartford, Connecticut. Dr. Harry Murdock, superintendent of the afore-mentioned hospital, stated that he anticipated Mrs. Gray's recovery in a matter of months but that future attacks were possible.

Memo to Mr. D. M. Ladd from A. Rosen

Re: GORDON GRAY, SPECIAL INQUIRY

Derogatory Comments Obtained from Graham L. Davis

Davis stated that he is former director of the Commission on Financing of Hospital Care at Chicago, Illinois, and that Gray has been chairman of this commission from October, 1951, to the present. Davis emphasized that Gray caused his dismissal as director of the afore-mentioned commission on December 12, 1952, and that he used "underhanded methods" in doing so. Davis characterized Gray as an avowed "left-winger" and defined this term as "one who advocates a strong federal government which has complete authority over the country's economy." He said that during the period he recently worked under Gray, that the appointee impressed him as being a poor executive, immature, incompetent, and a "rich man's swell-headed son." He further added that he would hesitate to recommend Gray for any type of responsible Government position indicating that he, Gray, is inefficient, not trustworthy, and a person of "low character." Davis advised that Gray's mere association per se with the "New Deal" Administration would cause him to question the appointee's loyalty.

Crusade For Freedom

Gray has been associated with the Crusade For Freedom as chairman of the North Carolina Division since 1951. On October 10, 1950, the Director commented concerning the Crusade For Freedom, ". . . I don't want to give even an indirect endorsement of the Crusade For Freedom for we know of questionable characters in it." (62-90001-136)

No characterization of the Crusade For Freedom has been included in the summary as the investigation of Gray reflected nothing unfavorable regarding him or his associates. It is noted that President Eisenhower was formerly associated with this organization.

Gray's Name on "Daily Worker" Subscription List

Bureau file reflects the appointee, listed as Gordon Gray, care of Piedmont Publications, Winston-Salem, North

Carolina, as appearing on the "Daily Worker" subscription list. Same obtained by the Bureau in 1946. Among others mentioned on this list were the General Reading Room, University of North Carolina Library, Chapel Hill, North Carolina, and Duke University Library, Durham, North Carolina. An Atomic Energy applicant investigation (116-80236) on Gray in 1948, reflects that he was probably automatically put on the "Daily Worker" subscription list by virtue of the fact that he is the owner of several newspapers and the publisher of Piedmont Publications, Winston-Salem, North Carolina. No dissemination with reference to Gray's name appearing on a subscription list of the "Daily Worker" was made by the Bureau in connection with the Atomic Energy applicant case.

RECOMMENDATION:

That the attached summary memorandum containing the afore-mentioned information be transmitted to Adams and the Attorney General.

An investigation was conducted by this Bureau in 1948 concerning James B. Zolotorch and copies of the reports in this investigation were furnished to you pursuant to a request from your office on May 6, 1953. The files of this Bureau reflect no subsequent information pertinent to your inquiry.

An investigation was conducted concerning Gordon Wend pursuant to a request from Honorable Sherman Adams and a copy of the summary reflecting the results of this investigation is attached for your information.

No investigation has been conducted by this Bureau concerning Paul C. Hoffman, the Secretary of the American Research Institute of Pacific Solutions, Incorporated, organized as a meeting of the Executive Committee of this organization on April 1, 1943, that Paul C. The Institute of Pacific Relations was founded in 1925 in Hawaii as an organization engaged in research on the economic, political, and social aspects of economic development on the Pacific Coast. Its main mission was to provide a forum for the exchange of views on the Pacific area, before the Subcommittee on Internal Security of the United States Senate Committee on the Judiciary testified that the Institute of Pacific Relations and the American Council of the Institute of Pacific Relations during the period 1933 to 1947, were financed, controlled and served the interests of the Soviet Union. Among the organizations named by the Subcommittee on Internal Security in its report dated July 3, 1950, was the Committee that the Institute of Pacific Relations was a vehicle used by the Communists to recruit Americans for espionage activities against the United States.

The records of this Bureau are being checked concerning Luis Ramon Lopez and you will be advised of the results thereof immediately upon completion.

Investigations were ordered on July 3, 1950, in all cases with the exception of Gordon Gray. Information was received on the same date from Governor Langille of Virginia, Washington, on July 3, 1950, that a statement to the press that there was absolutely no truth to the rumor that he intended to resign to accept a Federal appointment. He was quoted by the press as saying he had been elected Governor of Washington by the people and he did not intend to let them down and would accept his term of office. In view of this information, Governor Langille was interviewed by a representative of this Bureau on July 4, 1950, at which time he expressed his appreciation of having been contacted prior to the investigation and stated that he had no intention that he is being considered for Federal appointment.

Governor Langille on this date reiterated his statement to the press to the effect that he was not interested in a Federal job for which there might be a number of other persons who would be considered. He said, however, that he would be very much interested, because of his high regard for the Government, to consider any appointment based on a letter from the President. Governor Langille also stated in his statement that to him his first obligation is to the people of the State of Washington and elected him to the governorship.

In light of this information, the investigation of Governor Langille is being held in abeyance until such time as advice is received from your office through liaison channels as to the possibility of doing further work in this regard.

On January 12, 1954, Atomic Energy Commission Chairman Lewis Strauss requested name checks on fifteen individuals, of whom three were to be chosen for a board to hear the Oppenheimer case. One of these individuals was Gordon Gray, former Secretary of the Army.

An applicant-type investigation was conducted in May and June, 1948, at the request of the Atomic Energy Commission. This investigation reflected no derogatory information concerning Gray. In February, 1953, the White House requested a Special Inquiry investigation, the results of which were transmitted in a summary memorandum under date of February 18, 1953, to the Honorable Sherman Adams. This investigation was favorable except the comments of Graham L. Davis, former Director of the Commission on Finances of Hospital Care at Chicago, Illinois, who stated that Gray caused his dismissal as Director on aforementioned Commission on December 12, 1953. He also stated that Gray used "underhanded methods" in causing his dismissal. Davis characterized Gray as an avowed "left-winger" and defined this as "one who advocates strong Federal Government which has complete authority over the country's economy." (77-55655-32)

When an individual has been the subject of a Special Inquiry investigation at the request of the White House, it has been the policy of the Bureau to refer agencies requesting name checks to the Honorable Sherman Adams for information concerning these individuals. However, since Gordon Gray does not occupy a high Government position and since Chairman Strauss has indicated this is for his personal use, it is believed that time would be saved in sending the summary directly to Commissioner Strauss rather than refer him to the White House for information.

RECOMMENDATION:

That the attached memorandum, together with a Photostat of the above-referenced summary prepared for the White House, be furnished AEC Chairman Lewis Strauss, via Liaison.

SUBJECT: GORDON GRAY
MEMBER AEC HEARING BOARD
ON OPPENHEIMER CASE

Atomic Energy Commission

On the morning of April 9, 1954, Liaison Agent Bates was contacted by Roger Robb, the AEC attorney handling the Oppenheimer case, and Mr. Gordon Gray, a member of the Oppenheimer hearing board. You will recall that Mr. Gray is the former Secretary of the Army.

Mr. Gray stated that his secretary at Chapel Hill, North Carolina, had placed three letters in a large envelope and forwarded them to Mr. Gray here in Washington. Mr. Gray received only two of the letters which had been mailed to him and they were not within the large envelope and did not bear his Washington address. He felt that his mail had been tampered with and asked if the Bureau was checking his mail. Bates emphatically informed Mr. Gray that the Bureau was not checking his mail and that the Bureau had no interest in Mr. Gray's activities, and further that he was to clearly understand that we had nothing to do with the difficulty he had experienced in receiving mail forwarded from his office.

Mr. Gray laughingly commented that he felt sure if the Bureau were doing this it would not have been done in such a clumsy manner. At the same time, he asked that his personal respects be paid to the Director. He further stated that in view of his assignment in connection with the Oppenheimer case he was somewhat disturbed about this incident. Mr. Robb recommended to Mr. Gray that he call the matter to the attention of the Post Office authorities.

ACTION:

This is submitted for information.

ADDENDUM: I checked with ASAC Fletcher of the Washington Field Office this afternoon and was advised that Washington Field Office has no mail cover on Gray, is not investigating him, and has no knowledge of these alleged activities.

Relative to the Director's inquiry regarding Atomic Energy Commission (AEC) board which is hearing the Oppenheimer case: the board is composed of Gordon Gray, former Secretary of the Army, Chairman; Ward Vinton Evans of Chicago; and Thomas A. Morgan of New York, President of the Sperry Corporation.

Gordon Gray

By memorandum dated January 13, 1954, [redacted] the AEC submitted some fifteen names to the Bureau for file checks. These individuals were being considered for appointment to the Oppenheimer hearing board. Among this group was Gordon Gray and Ward Vinton Evans. By letter dated January 21, 1954, to Admiral Strauss he was referred to an Atomic Energy applicant investigation conducted by the Bureau in 1948 on Gray and was furnished a copy of a summary dated February 18, 1953, reflecting the results of a Special Inquiry investigation on Gray. Our investigations were favorable except for the comments of Graham L. Davis, former Director of the Commission on Finances of Hospital Care at Chicago, who stated that Gray had caused his dismissal in December, 1953. He further stated that Gray used underhanded methods in causing his dismissal. He characterized Gray as an avowed "left winger" and defined this as "one who advocates strong federal government which has complete authority over the country's economy."

Ward Vinton Evans

By letter dated January 19, 1954, to Admiral Strauss he was referred to an Atomic Energy applicant investigation conducted by the Bureau on Evans in July and August of 1948. At that time Evans was being considered for membership on the Chicago AEC hearing board.

Evans was born in Rawlinsville, Pennsylvania, June 8, 1883. He received a Ph.D. degree from Columbia in 1916. He was chemistry professor at Northwestern University from 1916 to 1945 at which time he retired as Head of the Chemistry Department. Since 1945 Evans has been professor of chemistry at Loyola University. He presently resides at Evanston, Illinois. Our investigation on Evans failed to disclose any derogatory information.

Thomas A. Morgan

By memorandum to you on March 11, 1954, it was pointed out that the AEC had advised Liaison that the third member of the board would be Thomas Alfred Morgan. AEC advised that they would forward to the Bureau the necessary papers for background investigation. By memorandum dated March 15, 1954, to you it was pointed out that Bureau files reflected that Morgan was an SAC contact of the New York Office and a personal friend of former SAC Scheidt. Morgan has been cooperative with the New York Office and at one time a job was obtained through Morgan's assistance for a potential double agent. [redacted]

b7E

The Bureau sent a letter to Morgan expressing appreciation for his assistance in connection with the film "Now It Can Be Told." (94-34071-83)

The Bureau received a request from the AEC to investigate Morgan on March 16, 1954. Copies of the investigative reports were furnished to the AEC on April 1, 1954. These reports completed the investigation with the exception of a check of the records of the Passport Division, [redacted] and the Civil Service Commission. These checks are presently outstanding. The investigation on Morgan revealed no derogatory information with the following exceptions: In January, 1942, the name Thomas A. Morgan appeared on the mailing list of the American Russian Institute for Cultural Relations with the Soviet Union. This organization has been designated by the Attorney General pursuant to Executive Order 10450. Mr. Gray is presently in Washington, D. C., as a Consultant with the Atomic Energy Commission and is expected to be here for several weeks. On April 9, 1954, Mr. Gray informed a representative of the Bureau that he had had difficulty in receiving mail from his office in Chapel Hill. He felt that his mail had been tampered with and inquired as to whether or nor the Bureau was checking his mail.

Mr. Gray has been emphatically advised that the Bureau is not checking his mail and has nothing whatsoever to do with the difficulty he has experienced in receiving mail from his office.

In view of Gray's attitude concerning this matter, you should be most circumspect in any dealings you or Agents of your Office might have with Gray in the future.

Reference is made to my memorandum to you dated 1-24-57 which stated that according to the 1-24-57 issues of "The New York Times" and the Washington "Evening Star," Dr. Arthur Flemming was retiring as director of the Office of Defense Mobilization and that the White House is expected to designate Gordon Gray, Assistant Defense Secretary, to succeed him.*

Bureau files have been reviewed concerning Gray and indicate that he was the subject of applicant-type investigations conducted by the Bureau during May, 1948, (for Atomic Energy Commission) and during January and February, 1953, (for the White House). Neither investigation developed derogatory information concerning him except for comments made by one Graham L. Davis who stated that Gray, through underhanded methods, had caused his dismissal as director of the Commission on Finance of Hospital Care, Chicago, Illinois, in December, 1952. He characterized Gray as an avowed "left-winger," and defined this as "one who advocated a strong Federal Government which has complete authority over the countries economy." (116-80236; 77-55655)

In the past, the Bureau has had most cordial relationship with Gray who has spoken highly of the Director. In July, 1952, Gray, then president of the University of North Carolina, was made a Special Service Contact of our Charlotte Office. On 4-9-54 while at Washington, D.C., as a consultant with Atomic Energy Commission, Gray advised a representative of the Bureau that he had had difficulty in receiving mail from Chapel Hill, North Carolina. He felt that his mail was being tampered with and inquired whether the Bureau was checking his mail. He was emphatically advised the Bureau was not. Concerning this, the Director commented, "I don't like this attitude upon the part of Gray. Advise Charlotte Office to be most circumspect in all dealings with Gray. H." Bulet 4-13-54 so advised the Charlotte Office. Bulet 4-29-54 also instructed Charlotte to discontinue Gray as a Special Service Contact. Subsequent to this incident, the Bureau has had several cordial contacts with Gray. Specifically, on 8-18-55 he called the Bureau and requested a special tour for a friend, and also extended his regards to the Director. By letter

9-8-55 Gray invited the Director to speak before the United Fund Campaign at Winston-Salem, North Carolina, on 10-17-55. By letter 9-13-55 the Director replied that he was unable to attend due to prior commitments. By letter 6-4-56 Gray thanked the Director for allowing his son, Bernard, to be afforded a special tour of the Bureau the previous week. He also thanked the Bureau for past courtesies and cooperation. We replied cordially by letter 6-7-56. (67-513384; 77-55655-37; 94-2-31916; 94-48843; 94-39520-13)

President Selects Gray To Succeed Hensel

By the Associated Press

President Eisenhower has selected Gordon Gray, a Democrat and president of the University of North Carolina, to be Assistant Secretary of Defense for International Security Affairs.

The White House said late yesterday the President will send Mr. Gray's nomination to the Senate next week. He will succeed H. Struye Hensel, who resigned effective June 30.

Mr. Gray served as Assistant Secretary of the Army from September, 1947, to May, 1949, when he became Undersecretary, a post he held for less than a month until he became Secretary of the Army. He served in that post from June 10, 1949, to April, 1950, all under former President Truman.

Mr. Gray became head of the University of North Carolina in October, 1950, but was on leave from that post from July to December, 1951, when he served as director of the Government's Psychological Strategy Board. He has been granted another leave of absence to take the new post.

A native of Baltimore, Mr. Gray is 46 years old and a graduate of the University of North Carolina and Yale Law School.

GORDON GRAY
Returning to Government

He has practiced law in New York and North Carolina and was a Winston-Salem (N. C.) publisher.

Mr. Gray was head of the three-man board which made a painstaking investigation of atomic scientist Dr. J. Robert Oppenheimer. The board found Dr. Oppenheimer a loyal citizen but withheld his security clearance.

Gordon Gray Expected To Head ODM Agency

Gordon Gray, a North Carolina Democrat who was Secretary of War in the Truman administration and now is an Assistant Secretary of Defense, soon will succeed Arthur S. Flemming as director of the Office of Defense Mobilization, high Government sources indicated today.

Mr. Gray and Mr. Flemming did not deny reports to that effect but said they were not in a position to comment because such announcements belong officially to the White House. A White House aide said he knew of no imminent announcement. As ODM director, Mr. Gray would be one of the highest ranking Democrats in the Eisenhower administration. The position is not in the cabinet but the director has cabinet rank, attends cabinet meetings and is a member of the National Security Council.

There were reports earlier that Mr. Fleming planned to resign and return to Ohio Wesleyan University. He was president there before he came to Washington and ODM director in 1953 at the request of President Eisenhower.

President Eisenhower also had urged Mr. Gray to return to Government service in 1955 and appointed him Assistant Secretary of Defense for International Security Affairs. Mr. Gray, 77 years old, is a newspaper publisher in North Carolina.

On August 19, Gordon Gray advised Liaison Agent Day during the course of general conversation that he was responsible for the request that the Director brief the Cabinet concerning the current communist threat to internal security. Gray said that he felt the country had become apathetic to the threat of communism, and he felt that the political leaders in the Cabinet should have the benefit of the current information which he knew the Director would furnish. He said that the lack of vigorous protest against the attack on the FBI made by Cyrus Eaton was indicative of the degree to which the public had lost interest in subversive activities.

GORDON GRAY

Pursuant to the Director's request on this date for a summary on Gordon Gray, FBI files have been reviewed for information on Gray.

On February 1, 1957, a summary of information in FBI files was prepared concerning Gray and indicated that he was the subject of applicant-type investigations conducted by the Bureau during May, 1948 (for Atomic Energy Commission), and during January and February, 1953 (for the White House). Neither investigation developed derogatory information concerning him except for comments made by one Graham L. Davis, who stated that Gray, through underhanded methods, had caused his dismissal as director of the Commission on Finance of Hospital Care Chicago, Illinois, in December, 1952. He characterized Gray as an avowed "left-winger," and defined this as "one who advocated a strong Federal Government which has complete authority over the country's economy."

The summary memorandum on Gray reflected that the Bureau has had most cordial relationship with Gray, who has spoken highly of the Director. In July, 1952, Gray, then president of the University of North Carolina, was made a Special Service Contact of our Charlotte Office. On 4-9-54, while at Washington, D. C., as a consultant with the Atomic Energy Commission, Gray advised a representative of the Bureau that he had had difficulty in receiving mail from Chapel Hill, North Carolina. He felt that his mail was being tampered with and inquired whether the Bureau was checking his mail. He was emphatically advised the Bureau was not. Concerning this the Director commented: "I don't like this attitude upon the part of Gray. Advise Charlotte Office to be most circumspect in all dealings with Gray. H." Bulet 4-13-54 so advised the Charlotte Office. Bulet 4-29-54 also instructed Charlotte to discontinue Gray as a Special Service Contact. Subsequent to this incident, the Bureau has had several cordial contacts with Gray. Specifically, on 8-18-55 he called the Bureau and requested a special tour for a friend, and also extended his regards to the Director. By letter 9-8-55 Gray invited the Director to speak before the United Fund Campaign at Winston-Salem, North Carolina, on 10-17-55. By letter

Memorandum Roach to Belmont
RE: GORDON GRAY

9-13-55 the Director replied that he was unable to attend due to prior commitments. By letter 6-4-56 Gray thanked the Director for allowing his son, Bernard, to be afforded a special tour of the Bureau the previous week. He also thanked the Bureau for past courtesies and cooperation. We replied cordially by letter 6-7-56.

By way of background, Gray was born 5-30-09 at Baltimore, Maryland. He received an A.B. degree from the University of North Carolina in 1930 and an LL.B. degree from Yale University in 1933. He has held a number of prominent positions with the Government. From September, 1947, to June, 1949, he was Assistant Secretary of the Army and was Secretary of the Army from June, 1949, to April, 1950. He was a Special Assistant to the President from April to October, 1950, following which he was elected president of the University of North Carolina. From July to December, 1951, he was director of the Government's Psychological Strategy Board, designed to devise means for countering communist propoganda. In April, 1954, he headed a three-man hearing board which recommended that atomic scientist J. Robert Oppenheimer be denied access to Government secrets as a security risk. In July, 1955, he was appointed Assistant Defense Secretary for International Security Affairs, to head the Defense Department's foreign military aid program, a position which he held as of February 1, 1957. In February, 1957, Gray was appointed Director, Office of Defense Mobilization, and effective July 21, 1958, he was designated Special Assistant to the President for National Security Affairs.

Since the summary was prepared on Gray in February, 1957, Gray has been generally cooperative with the FBI. However, it should be noted that on March 7, 1958, Gray attended a meeting of the National Security Council (NSC) Net Evaluation Subcommittee, at which time the Director was present. At this meeting Gray expressed himself as doubting that the Soviets would take a chance and attempt to introduce nuclear weapons clandestinely into the United States through the use of diplomatic immunity. The Director reminded Gray that the clandestine introduction problem had been carefully considered by the NSC. At a meeting of the NSC on September 18, 1958, attended by Mr. Belmont, there was discussion with reference to clandestine introduction of atomic weapons. At this time Gray stressed the fact that this is the only form of attack on the United States where we are wide open, in view of the ability of the Soviets to bring nuclear material into the country. The Director stated, regarding Gray: "He certainly has changed his thinking. Originally he considered such a possibility unrealistic. H."
