THE AUTHORS HAS ALREADY REPORTED ON CERTAIN PSYCHICS, WHEN TRIGGERED BY ACUPUNCTURE, COULD MAGNIFY THE SIZE OF CELLS AT THE ACUPUNCTURE POINT TO THE SIZE OF CHERRIES, COULD FEEL THE THREE DIMENSIONAL STRUCTURE OF A LINE, DETERMINE THE EXISTENCE OF A CELL MEMBRANE, AND COULD WATCH THE MATERIAL EXCHANGE INTO AND OUT OF CELLS AT THE ACUPUNCTURE POINT. THIS ILLUSTRATES THAT PSYCHIC PERSONS HAVE THE PARANORMAL ABILITY OF A MAGNIFICATION EFFECT ON HIS OWN BODY'S TISSUE STRUCTURE. RECENTLY, WIDESPREAD INTEREST HAS BEEN STIMULATED BY SCIENTISTS BELIEF THAT THE HUMAN MAGNIFICATION EFFECT IS A COMMON CHARACTERISTIC OF ALL TYPES OF CONTROL SYSTEMS. THIS ARTICLE IS A THOROUGH EXPLORATION, A CLARIFICATION OF THE LAWS, AND AN ILLUMINATION OF THE TRUTH. A BRIEF REPORT ON THE DATA I HAVE GATHERED IS GIVEN IN THE FULL TEXT.
